

# RÉSUMÉ

# DILLON SLADEN BUSH

## EDUCATION

### Cornell University (Current)

*Ithaca, NY - Class of 2027*

- 5 year Bachelor of Architecture Program
- Dean's List - 3.7/4.0 GPA
- Relevant coursework includes Architectural Design, Drawing, French, Theory, History, and Environmental Systems, Hospitality Design & Management

### Fairview High School

*Boulder, CO - Class of 2022*

- IB Diploma - Magna Cum Laude - 3.8/4.0 GPA

## SELECTED EXPERIENCES

### Nancy Horton Bartels '48 Scholar for Collections Intern - Johnson Museum of Art

*Ithaca, NY — May 2025 - August 2025*

- Supporting curatorial staff in the museum's daily operation, such as cataloguing artwork and preparing for shows while learning more deeply about museum operation and strengthening abilities in artwork handling, knowledge, and expertise.
- Providing support for museum operations utilizing my architectural skillset, including floor plan analysis and exhibition layout.
- Developing an independent collection-related research project, including a research trip to visit archives and collections such as the Getty Research Institute, UCLA Hammer Art Museum, MAK Center for Architecture, and the Gamble House.

### Editorial Lead & Branding Designer - Medium Design Collective (MDC)

*Ithaca, NY — Fall 2022 - Present*

- Lead a 20-member team in producing a printed magazine, curating graphic design, and organizing an exhibition for MDC, a student design club.
- Collaborate with board members to coordinate multi-club events, including the RAW Exposition and create brand guidelines for MDC.

### Guest Architectural Critic

*Ithaca, NY — June 2025 - August 2025*

- Invited as a paid guest architectural critic during reviews for the 2025 Summer Cornell Pre-College Architectural course, including giving feedback and supporting student development, as well as providing insight into Cornell's architecture program and academic environment.

### Social Media Chair - Cornell Architecture Student Practice Club (CASP)

*Ithaca, NY — Spring 2025 - Present*

- Manage the social media channels for the new Cornell Architecture Student Practice Club, as well as participate in club design and building events.

### Project Graphic Designer — Dragonfly Health

*Boulder, CO — July 2023-August 2023*

- Designed graphics for a health-focused exhibition, enhancing visual communication for exhibition participants, clients, and managers.
- Coordinated with vendor clients to plan exhibition layout for complex medical equipment needs.
