## Vacancies for Adult Care Workers:

We aim to support the people that live with us to do so as independently as possible. Providing great training opportunities for our staff to ensure they have all the skills that they need to assist the lovely people that we look after, to live a safe, structured, and fulfilled lifestyle.

We are looking to hire committed and compassionate staff to join our friendly, professional team, whether you have experience or not. Applicants with NVQ 2 and experience welcomed, however, if you are looking to make a positive impact on the people's lives that live with us but have no experience within the care industry, we still want to hear from you to give you the opportunity to join us as full training is provided. We will offer NVQ upon passing of probation.
