## Vacancies for Adult Support Workers:

Ashlong House Domiciliary Care is looking for competent Support Workers to support physically or mentally challenged customers in their everyday lives. The fulfilment and satisfaction that comes with helping others surpasses the challenges of this job.

If you are a compassionate, positive person who is not afraid to work hard, then this is a job for you. We expect you to be polite and a good communicator. No experience needed as full training given from day one.

Most of our Service Users live in one placement in their own rooms/flats, in some cases local travel may be required from time to time.

If you have a caring attitude and want to make a difference, then come and Join us. We believe our Staff and Service Users should be treated with respect and dignity.
