

Standard Collection Notice: Publicity and the use of student images

Dear Parents/Carers

As part of the Marist Cricket Carnival activities there may, on occasion, arise the situation whereby Assumption College, the official carnival photographer or local media will need to take photographs and/or video footage of your child for publication in newspapers, television news or school documents, the Assumption College website or the official photographer's website.

The Carnival photographer will endeavour to take action shots of each player (try but no guarantee!) during the carnival that families and the players can access the photos from the carnival website.

Please note: Privacy laws in most states require for each player, a parent/guardian to sign a form that gives the photographer permission to take the action photographs.

Please complete the information below and return it to your team manager
