

2026-2027

Preschool Information

The school year runs Aug. 24, 2026-May 20, 2027.

Schaumburg Park District

Preschool Programs

Our preschool program is licensed by the Department of Children and Family Services (DCFS) and accredited by the National Association for the Education of Young Children (NAEYC). We offer a variety of classes to help encourage the growth and development of each child. Each age-appropriate class builds onto the next, providing children with a strong foundation needed to become successful lifelong learners. Proof of residency and a birth certificate are necessary.

Resident Registration begins at 8:30 a.m., Monday, Feb. 23.

Non-Resident Registration begins at 8:30 a.m., Monday, March 9.

To register, scan the QR code or visit parkfun.com!

Preschool Programs

Mini Preschool Ages: 2.5-3y

For children who are too young to enroll in 3-year-old preschool, this program will provide an opportunity to learn the routine of preschool, gain confidence and develop independence. Pull-Ups are allowed until December for children who are in the process of potty training but need the reassurance of Pull-Ups. NO DIAPERS. Children must be 30 months (as of Sept. 1, 2026).

3-Year-Old Programs

3-Year-Old Preschool

Our preschool classrooms provide a nurturing environment for your child's learning experience. Learning through play is a child's principal means of discovery. The Creative Curriculum provides each child an opportunity for scientific exploration, problem solving and dramatizations within the safe and supportive environment of play. Some of the curriculum goals include: introduction to the alphabet, numbers, following simple directions, colors, shapes and name recognition. Our program emphasizes the development of coordination needed for jumping, catching, stacking, gluing, drawing and cutting. Children must be 3 years old (as of Sept. 1, 2026). Children must be able to take care of their own bathroom needs. No Pull-Ups.

***Each child should bring a healthy, nut-free lunch.**

4-Year-Old Programs

Pre-Kindergarten

Children develop kindergarten readiness and self-confidence as they master our Creative Curriculum, which challenges children to think, solve problems, communicate and investigate their world. Through play, children gain independence and acquire basic readiness skills in literacy, math, science, social studies, oral language, fine arts and music. Field trips throughout the year enhance each child's learning. Children must be 4 years old (as of Sept. 1, 2026) and must not be enrolled in kindergarten. Children must be able to take care of their own bathroom needs. ***Each child should bring a healthy, nut-free lunch.**
