

Rekindle Academy Clinical Interns (updated January 2026)

Mah Jun Jian

About me: We are all finding our way to make sense and navigate through our life experiences. I am passionate to support you in your journey of growth and self-discovery, and believe every individual has the resilience to overcome adversity and become the best version of themselves.

Counselling experience: Individual assessment and counselling, since 2024. Worked with child and adult clients with, but not limited to, autism, intellectual disability, ADHD, depression, anxiety, eating disorders, chronic pain, relationship issues, motivation issues.

Prior work experience: Client & Clinical Support Executive, 3 years (2021-2023)

Education: Bachelor of Science (Honours) in Psychology; University of Edinburgh, Masters in Clinical Psychology; HELP University (in pursuit)

Internship Period: February 2026 - August 2026

Client Statement and Signature

I have had the opportunity to read the above statements and to ask any questions I may have of the educational and professional background of the intern therapists above.
