January 13, 2026

Dear Vinemont City Council,

The newly reestablished Vinemont High School Anchor Club is currently raising funds in hopes of attending the Anchor Convention in Andalusia, AL on March 6th & 7th, 2026. We were hoping you could possibly help us with this endeavor.

The Anchor convention would be very beneficial to our young, student leaders. Attending would allow them to connect with other like-minded Anchors across the state and help them learn more about how to grow into life-long community leaders. Our very VHS Anchors may one day be elected and sit on the Vinemont City Council and help make important decisions for our fine community. Therefore, we believe community leadership education should begin at a very early age. As Pilot Club of Cullman members and sponsors of the VHS Anchor Club, we know that these young leaders benefit from role models, such as yourselves that are not only actively and currently leading within our own community, but also from state leaders at convention that can share their knowledge and leadership skills with our students. Although we emphasize the importance of community service and engage our Anchors by having them regularly participate in community service projects, we want to help our Anchors take the next step and truly understand what all is involved in community leadership. Attending the Anchor Convention would allow them to achieve those skills.

Therefore, we would greatly appreciate any contributions you may make to help our Anchor Club get to Anchor Convention this spring. **Our goal of \$5000.00 is based on travel, hotel costs, and food estimates for our Anchor Club students.** Our Anchors are working diligently to raise as much money as they can to help fund their trip. They are currently selling chances on a weighted Snoopy Plush within the Vinemont Schools and community and will have the drawing before Valentines Day. However, we will need much more funds to support our trip. We appreciate anything you can do to help us.

We would also love to have someone from the Vinemont City Council come out to briefly speak with our group during one of our monthly Anchor meetings regarding community leadership. We meet every third Monday of the month at 3:15 pm in the VHS teacher workroom. Please contact us to set up a date. Like and follow our fb page "Vinemont High School Anchor Club" to further support our group.

Thank you,
