### 2025-26 Theme Verse

Prayerfully chosen and design  
created by the Class of 2026

Do nothing out of  
selfish ambition  
or vain conceit.  
Rather, in humility  
value others above  
yourselves.

Park Christian School is so thankful for the faculty and staff who serve faithfully! While it is never easy to say goodbye, we rejoice in the impact on the PCS family, and the new journeys ahead, trusting in the path God has prepared for each faculty and staff moving on.

**Miss Hoven** is leaving having served in multiple positions for 25 years, most recently as the Guidance Counselor. We will honor and celebrate Miss Hoven's years at PCS with a **Farewell Celebration September 10th, 3:30 pm in the PCS Commons.**

*Everyone is welcome!*

## Senior Outing Day: A Tradition of Adventure, Celebration and Leadership

The senior guys kicked off the school year with their annual trip to Maplewood State Park, where they hiked to the summit of Holloway Hill, swam in Lake Lida, and battled it out in a spirited game of Wiffle Ball. The day continued with a meal at Pizza Ranch and concluded with a bonfire at Mr. Nellerhoe's home. There, the seniors were encouraged to embrace their role as leaders, setting a positive tone for the year ahead. Our challenge to them: **Lead like Jesus**.

The senior girls kicked off the school year with their annual trip to the Tennessees Lake Home. The theme was "Aloha"—a word that means both hello and goodbye; a fitting tribute to the beginning of the end of their journey at Park Christian. They played in the lake, each created a personalized bookmark with a guiding word for the year ahead. A couple of the themes were love, intention, Christ-like, and immersion. The day concluded with a devotion focused on discerning God's will, encouraging the girls to seek His guidance as they step into leadership and prepare for life beyond high school with purpose and faith.

# Thinking Biblically

## Join us in welcoming Harvest Valley as a PCS Member Church!

Park Christian School - On Mission with Christian Parents and Member Churches

### The seven Park Christian Member Churches:

**Bethel**, partner since 1981 <https://www.bethelcfc.com/>

**Calvary at Village Green**, partner since 2014 <https://www.calvarychurchvg.com/>

**Harvest Valley**, partner since 2025 <https://www.harvestvalley.church/>

**Metropolitan Baptist**, partner since 1993 <https://www.mbcfargo.org/>

**Northview**, partner since 1981 <https://www.northview.life/>

**Salem**, partner since 1991 <https://saalemefc.org/>

**Triumph Lutheran Brethren**, partner since 1996 <https://www.triumphlbc.org/>

Why do we partner?

### United in Disciple-Making

Becoming like Christ is a lifelong journey. We believe in the power of church, school, and home all pointing in the same direction. By partnering with like-minded churches, we join hands in the shared mission of making disciples.

### Strengthening Families Together

Families are the foundation of society. The commitment to helping parents raise the next generation in truth and love is valued by both PCS and the Member Churches. The Member Churches stand as a pillar of support.

We are grateful for these gospel partnerships!

We are excited to enter year three of the five-year implementation of Teaching for Transformation. In 2024-25, eleven teachers/staff were fully engaged in TtT. This year, we'll all be on board, with eight Professional Development days being dedicated to the training.

### What is TtT?

Teaching for Transformation is a teaching framework that will equip our teachers to implement biblical integration in all subjects from Bible and History to Biology and Algebra. While the TtT practices will be implemented in all classrooms, this will not make each classroom uniform. Rather, it will help bring out the personality and style of each teacher while remaining focused on the main mission of the school.

For example, one of the practices teachers will implement is crafting something called a 'Deep Hope Statement'. It will be a simple statement that communicates what the teacher truly wants for their students. This statement will connect to their subject matter while also transcending the delivery of information, aiming instead for character formation. Each staff member's Deep Hope will be different, but they will all come together in unity under the school's mission to equip students to think biblically, serve wisely and serve faithfully.

### Why are we adopting Teaching for Transformation?

**We are adopting TtT because we are a good school.** We have phenomenal staff that are committed to our students and to Jesus Christ. We believe TtT will help us rise to another level of intentionality and provide teachers tangible and effective methods of integrating a biblical framework into their classrooms. Particularly, we expect this will be a great aid in onboarding new teachers on how to teach with the biblical framework.

Throughout the year we will continue to touch on the various aspects of TtT and hopefully grow your curiosity and interest in the program. We ask you to pray for us as we move forward in helping students understand and live out our mission, thinking Biblically, living wisely, and serving faithfully. **That is the primary purpose of TtT - to get better at our Mission!**
