

Invest In The Next Generation

Equipping students to think biblically, live wisely, and serve faithfully

Park Christian Community Partnership Program

Partnership on Purpose

Every Community Partnership moves the mission of PCS forward—supporting tuition assistance, enhancing student programs, and creating spaces where students and teachers can do their best work. It’s a powerful way to turn business support into life-changing opportunities for students and families.

At Park Christian School, you are investing in the next generation—640 students being equipped to think Biblically, live wisely, and serve faithfully, supported each day by 85 dedicated staff members. Together, we connect with more than 3,800 households through print, digital, and in-person engagement.

Why Partner with Park Christian School
