

# Applying for your J1 Visa

You've received your DS-2019 Visa Documents from CA, so what's next?

You now need to complete an Online Application form called a DS-160.

You then need to book an appointment to attend a face-to-face interview at your nearest US Consulate – in Sydney, Melbourne or Perth.

Please follow these step-by-step instructions to complete the process successfully. There have been some changes to the U.S. State Department's DS160 application, so this is just a guide to assist with the process in general.

If you have any questions, after you've read through the instructions (including the FAQ pages 81-88), or are finding it difficult to complete your J1 visa application process, please feel free to call the **Sydney - Head Office on 1300 889 067**

**If you are a US citizen or have access to applying for a US passport, you must travel on your US Passport to attend Camp. You therefore do not need to apply for a visa. If you qualify for this option, please notify our office – [info@campamerica.com.au](mailto:info@campamerica.com.au)**

# J1 Visa Instructions

You **MUST** obtain the US J1 Visa in order to participate on our Camp America program. You **CANNOT** obtain this visa (or the B1/B2 extension visa) while in the USA.

**Step 1:** Sign the white DS-2019 form (Certificate of Eligibility for Exchange Visitors (J Visa) Status)

This form can be found in the packet sent to you by Camp America

1. Check that all of your personal details at the top of the DS-2019 form are correct. Contact Camp America on 1300 889 067 if you see any errors – **do not make any corrections, as this will invalidate the form.**
2. Sign, date (US format) and write the city/town (at time of signing) at the bottom of page 1.

Please note: If for any reason you have arranged with your Camp Director to leave the US during your 4 month visa period and then return to finish your camp placement, you will need to have your DS – 2019 signed by a designated member of Camp America either in our Connecticut or London Offices.

## **Step 2:** Complete the Non-Immigrant Visa Application (DS-160 Form)

1. Complete the DS-160 form online [here](#)
2. Ensure you answer every section of this form and **regularly click the save button**

# Before you start...

Make sure you have with you:

- Your DS-2019 Form
- Your Passport
- Any Foreign Passports you may own \*
- For Returners: Passports with previous issued J1 visas

\* If you have dual nationality with access to a Foreign Passport, then we would recommend you apply for your J1 visa in that passport instead. The US Consulate apply an Issuance fee for Australian's applying on an Australian Passport, which is an additional \$168 AUD. Applying on your Foreign Passport will mean you only need to pay the MRV application fee of \$256 AUD. **This can only be done if Camp America already has your passport details and prior to the printing of your Visa forms.**

Go to - <https://ceac.state.gov/genniv/>

This is the first stage to completing your Online DS-160 application form for your J1 visa.

Select the US Consulate you will be attending for your interview. There are three US Consulates located in Australia – Sydney, Melbourne and Perth.

If you are located in SA, QLD, NT, ACT or TAS you will need to travel to the nearest/most convenient Consulate location.

Please select either:

- Australia, Melbourne
- Australia, Perth
- Australia, Sydney

Once you've selected your US Consulate location, click on "Start an Application" directly below.

**The photo cannot be older than 6 months old.**

**A US visa photo is slightly larger than a regular Australian passport photo. You can use the cropping tool on the next page to make sure your picture is acceptable.**

### Overview

Generally, a citizen of a foreign country who wishes to enter the United States must first obtain a visa, either a nonimmigrant visa for temporary stay or an immigrant visa for permanent residence. Citizens of qualified countries may be also able to visit the U.S. without a visa under the [Visa Waiver Program](#). If you do not qualify for the Visa Waiver Program or are traveling to study, work, or participate in an exchange program, you must apply for a nonimmigrant visa.

Applicants for U.S. visas are required to appear in person for a visa interview at the U.S. Consulate. You must schedule an appointment for that interview, either online using this website or through the [call center](#).

If you are applying for a B1/B2 Tourist visa you must get it processed at your J1 visa appointment.

Your J1 visa is your primary visa and is the more important visa to obtain, therefore you will complete your DS-160 online form referencing details specifically for applying for a J1 visa and will ONLY book a J1 visa appointment.

In order to obtain the B1/B2 visa as well, you will need to make a separate payment (instructions to follow) and mention to your interviewer on the day of your J1 appointment that you’d also like to apply for the B1/B2 visa, show your payment receipt and it’ll be processed along with your J1.

This is when you make your first payment, the **MRV** application fee, for your J1 visa – currently at **\$256 AUD** (Subject to change).

You can choose to pay this either on a credit card/ debit Mastercard/Visa (this particular payment doesn't need to be made on a card in your name - if you have assistance from your parents). Or you can pay the MRV fee via the post office (instructions on pgs 69-78).

Once this payment has been made you can continue to lock in your appointment date and time.

**\*\*Australian Passport Holders** are required to pay an **ISSUANCE/ RECIPROCITY fee of \$168 AUD** (explained on pg.80) at the U.S. Consulate Appointment\*\*

# Finalising your J1 Visa Appointment

**After you've made your payment, you can continue on to book your appointment. Please select the earliest date and time available for you and the Consulate. You will then be required to update this information to your CA application page under the "VISA" tab.**

**It is extremely important that you get this procedure completed ASAP. The US Consulate will hold onto your passport after your interview to issue your J1 (and B1/B2 visa if applicable) in your passport, before posting it back to your nominated address. Provided there are no issues this should be completed within 5-10 business days.**

**We do not recommend you purchase flights outright until your visa is approved, completed and returned to you. If you are booking flights through our Flight Centre travel hub, you can opt for the layby/deposit option and then finalise your flights after your J1 visa is returned.**

**Continue on to find out what you need to bring to your US Consulate appointment...**

If you cannot pay the J1 Visa's MRV Application Fee online, there is an option to make a payment via the Post Office.

If you have already paid an MRV Application Fee online for the J1 Visa, and are interested in getting a B1/B2 Tourist Visa for additional travel after camp, then you would make the payment of the B2 Tourist Visa via the Post Office.

The following slides include instructions for how to make the payment of the B2 Tourist Visa or the 1<sup>st</sup> J1 Visa payment) via the post office.

If you are completing this for B1/B2 purposes you will need to bring this receipt to your J1 visa appointment, already scheduled. **Please note this payment is an additional \$256 AUD for a B1/B2 visa, separate from the \$256 AUD paid for the J1 visa.**

### Payment in Person at Australia Post

You can pay your nonimmigrant visa application fee in cash or debit at a designated [Australia Post Office](#). Before going to the Australia Post, you must print and carry the applicable U.S. visa fee collection slip available after logging into your [profile](#). Take the printed deposit slip with you to pay your fee. If you print a deposit slip in advance of the day in which you plan to make your payment, please take note of the expiration date on the deposit slip. If the expiration date passes prior to using the slip to make your payment, simply return to the website and click the appropriate link to generate a new deposit slip. Fee collection agents will NOT accept payments based on expired deposit slips. Upon receiving of your payment, Australia Post will issue you a receipt. [This page](#) has more information about the different visa application fees.

**The Australian Dollar amounts are based on the consular currency exchange rate determined by the U.S. Department of State. Applicants who do not pay the correct fee for their visa type may be restricted from scheduling an interview. After you have paid the visa application fee, print your receipt for your records. Save your receipt. It cannot be replaced if it is lost. You will not be able to schedule an appointment without your receipt number.**

# Checklist for your Consulate Appointment

**Please make sure you have prepared all the relevant documents before your appointment. Be sure you have done the following and have all forms with you:**

- Completed and signed the first page of the white DS-2019 form
- Printed out your DS-160 confirmation page, with barcode
- Uploaded a correct photograph to your DS-160 or, if yours was not accepted, have a printed visa photo with your forms
- Have your **SEVIS I-901 'Notice of Action'** receipt printed (as per the instructions on the previous page)
- Have a copy of your Support Letter from Camp America. This was sent to you with your DS-2019 form. Alternatively you can print a copy of the Letter of Support from your CA application, under the "Visa" tab
- Have your passport/s with all forms
- Paid **BOTH** consulate fees (you would've paid your MRV, **\$256 AUD** application fee – subject to change, when booking your appointment online and may have received an emailed receipt or have a physical receipt from the Post Office if paid via AustPost. The second fee is the **Issuance/Reciprocity Fee**, for all applicants applying with an Australian passport, and is due at the time of your interview. # FAQs

## What is the Program or Exchange number?

This number starts with a P and you will find it on your white “Certificate of Eligibility for Exchange Visitor (J Visa) Status” DS-2019 form (third box down on the right hand side)

## Where can I find my SEVIS ID number?

This number starts with a ‘N’ and you will find it on the top right hand corner of the white “Certificate of Eligibility for Exchange Visitor (J Visa) Status” DS-2019 form

## Are all fields of the DS-160 mandatory?

Most fields on the DS-160 are mandatory. You may leave fields marked “optional” blank. Some fields may also give you the option to select “Does Not Apply”. All other fields must be completed: the application **will not** allow you to submit a form with any mandatory fields left blank.

## How long does it take to get my passport back from the US Consulate?

Consulates can take anywhere from **72 hours to 2 weeks** for the passport to be returned. Please check the US Consulate website for more details. Please understand that the Consulate will not return a passport any earlier and travel plans should be taken into consideration when booking an appointment. You can track your passport’s progress after your appointment [here](#).

### **Do I really need to make an appointment now?**

**Yes.** The sooner the better as appointment slots will go very fast. Camp America has no influence over the consulates and cannot help you book an appointment. A very late appointment slot runs the risk of you missing your flight and losing your placement. If you cannot obtain an appointment 2 weeks (at least) prior to your departure, please contact the Sydney Camp America office ASAP.

### **Can I use the ESTA visa waiver to travel in the US after/before camp?**

NO! Because you have been issued and sponsored for a J1 visa you are ineligible for an ESTA visa waiver. To extend any travel in the US, after having spent time in the states on a J1 visa for this trip, you will need a B1/B2 visa.

### **How much does it cost to apply for the J1-visa?**

It is a two-part fee structure. An MRV fee of **AUD\$256\*** applies to all applicants regardless of nationality. This is the fee that is paid via the online system, or by post office if the first method does not work. Australian passport holders are also required to pay an ISSUANCE/Reciprocity Fee of **AUD\$168\*** to the US Consulate, which has to be in the form of credit card, cash (with exact change), or by money order at the Consulate on the day of your appointment. **\*effective January 2023 and subject to change**

### **If I apply for the B1/B2 visa, do I pay a second application fee of \$256 AUD?**

Yes. To download the deposit slip to pay for your B1/B2 visa, please refer to the instructions – pages 69-78.

## How long is my visa valid for and what is the grace period?

The J-1 visa will be determined by the Consular official and will be indicated on your J1 visa in your passport. The date stamped in your visa is normally your start and end date for camp. **You have an additional 30 days to travel (within the US ONLY) both before and after your camp period.** If you choose to use your 30 day grace period in the US before camp starts, we would recommend you only enter max. 25 days early to avoid any errors. This season we would recommend that you only travel in early to meet quarantine requirements, travel directly to camp upon arrival and complete quarantine at your camp site. You will then also have a 30-day period to use after camp ends. Most applicants will enter maybe a week prior to their start date to “transit to camp” and then will use their 30 day grace period after camp to travel around the US. **Please be aware, you cannot add your 30 day periods before and after camp to extend your grace period.** You must be available for Pre-Departure Orientations in Australia before you attend camp. You must also count on a calendar to know exactly when you need to out of the US. We would HIGHLY recommend you book your flights to depart on the 25<sup>th</sup>/26<sup>th</sup> day of your grace period (if you intend to use as much time as possible) in case you face any flight changes or delays. If you stay past the end date of your grace period you are registered as being in the country illegally and it could affect future travel to the US.

Please note – if your visa shows your camp date as the end date in your visa, immigration will be aware that you have a 30 day grace period afterwards and will use your end date to calculate your approved stay. The additional 30 day travel grace period prior to the camp start date and a 30 day grace period after a camp end date will not be listed on the visa itself, but it is a grace period included in the J1 visa for all participants.

**The U.S. State Department Government also specifies this information in the J-1 Visa Common Questions section of their website, <https://j1visa.state.gov/basics/common-questions>**

## **During the grace period:**

You may not partake in any work (paid or un-paid) unless your camp has extended your end date at camp for you to work post-camp; this should be undertaken with our US office. **You must remain in the US if you are travelling.** Travel to Canada, Mexico or crossing international ports and waters on a cruise will be considered leaving the country and you may **not return** on the J-1 visa. Your J1 visa will have expired, along with your insurance provided through the CA program, the moment you exit the country and travel anywhere, except home. In order to re-enter the US, you will need a B1/B2 visa. You must depart the US at some stage during your grace period (to either Canada or Mexico), ending your J1 visa, for you to re-enter the US on your B1/B2 visa, activated by immigration on your way back into the country. Please note that the US government and the immigration officer, upon your arrival in the US, will determine the amount of time that you are allowed to stay in the US. US law states that all students must return home prior to the start of their academic term and this may limit the amount of time you may remain in the States.

## **What happens if I need to step away in the middle of data entry for my DS-160?**

Your application will be automatically saved each time you click the “Next” button. If you need to stop your application before submitting it, you should record the Application ID displayed on the top right-hand corner. You will need this Application ID to continue your application at a later date. You will be able to retrieve your un-submitted application for the next 30 days. To complete your application after 30 days, you can permanently save the application to your hard drive. Click the "Save" button at the bottom of the last page you have completed and follow the instructions to save the application data to a file. Please have your passport, previous visa information (if applicable), and any other documents relevant to your intended travel to the United States ready and available for your reference before you start the application process.

## How do I save my application?

To save the application, click the “Save” button at the bottom centre of the application. Clicking save will **temporarily** save your application. In order to permanently save your application, select the “Save Application to File” button. Then, click the “Save” button on the File Download window. Identify a place on your computer to save the application file, browse to that location, and click the “Save” button on the Save As window. The system will download your application to the specified location. Once the download is complete, you can click “Close” to return to the application. You can then use the “Import Application Data” option on the “Getting Started” page to upload the data that you have already entered.

## Should I save my application before I submit it?

YES! You should, if you can, save your application locally (to either your computer hard drive or a USB) before you submit your application. Saving your application locally is beneficial in two ways. First, if your application is rejected by the US Consulate for being incomplete, *i.e.* your application contains non-responsive answers or you failed to answer a critical question, you will be able access your saved application data, correct the non-responsive or incomplete answers and submit the corrected application without having to complete an entirely new application.

Second, if you are a frequent visa applicant, you can update your saved application the next time you wish to apply for a visa and submit the updated application. This will save you time by not having to re-enter information that has not changed since the last time you applied.

The DS-160 will “time out” approximately 20 minutes after the application has been idle. The “time out” is designed to protect your privacy. If the application times out, all the data that has been entered will be lost. In order to guard against possible “time out” issues you should save the application at regular intervals while you are completing the application.

## **I understand that I can upload a photo with my application. How do I get a digital photo that will successfully upload to my application?**

Please refer to the [Guidelines for Photographs - for Online Visa Applications - http://travel.state.gov/visa/visaphotoreq/digitalimagereq/digitalimagereq\\_5327.html](http://travel.state.gov/visa/visaphotoreq/digitalimagereq/digitalimagereq_5327.html) for detailed guidance for using a digital camera, and requirements for scanned images.

## **The confirmation page has an “X” in the box where the photo should be. What does that mean?**

That means that the photo upload failed. Therefore, you will need to submit one printed photograph meeting requirements, along with the online DS-160 confirmation page. If the confirmation page includes a photo image, then the photo upload function has succeeded and no separate print photograph is required.

## **Why did the edits I made from the review page “edit” link not save?**

In order for data changes made from the review page links to save, you must use the buttons at the bottom of each page to navigate, instead of the browser's back/forward buttons or the buttons along the left of the screen.

## **Do I bring my entire DS-160 application with me to the interview, or do I just bring the confirmation page?**

You don't need to bring your entire DS-160 application. Your confirmation page is all that is needed to retrieve your application data. You must bring the confirmation page with you during all phases of the application process. Without the confirmation page, it may not be possible to access your application and process your visa case.

## **How long does the appointment take?**

Appointments can take between 1 to 5 hours depending on the Consulate. The earlier your appointment is booked for (e.g. 8:30am), the quicker you'll be processed. Plan your travel accordingly and bring a good book!

## **What should I NOT bring with me to the Consulate?**

Do not bring bags, backpacks or large handbags of any kind as you will not be able to bring anything in to your appointment. If you are travelling to Sydney for the day you can drop off your luggage at our Sydney office. Please email us at [info@campamerica.com.au](mailto:info@campamerica.com.au) to arrange.

## **Can my parents come with me?**

No, only people with a valid appointment will be allowed inside the Consulate.

## **What should I do if I am unable to attend the appointment that I have made?**

You must contact the US consulate and cancel and if necessary re-book your appointment. DO NOT just ignore the appointment. Many consulates will look very negatively on applicants who are “no shows” & may refuse a re-booking. We wouldn't recommend you do this multiple times as the US Consulate may charge you an extra \$256 AUD to re-book.

## **What do I need to do to keep Camp America informed of the progress of my visa application?**

It is VERY important that you keep Camp America informed of the progress of your visa application. Updating the visa section of your Camp America Direct account as soon as you have new or changed information is the easiest way for us to monitor your progress. The information that must be entered or updated is:

The date of your visa appointment – please enter this date as soon as you have made the appointment.

The result of your appointment – Unless there is a problem on the day of your appointment you will be told of the result of your appointment with the consulate.

Return of your passport – In most cases the passports will be returned to you directly by the embassy. Please ensure that once you have received it you update this information.

## **What happens if my application is refused?**

Immediately contact Camp America on 1300 889 067. If you are refused a visa there is nothing that Camp America can do no matter how unfair you may feel the decision was. The US consulate will never discuss your details with Camp America. We are sorry to say that you will need to cancel from the program. You will be entitled to a full refund of all fees paid to Camp America but you will need to provide a copy of the rejection letter that the consulate will give you.

## **Need help?**

Call us on 1300 889 067 or e-mail [info@campamerica.com.au](mailto:info@campamerica.com.au) and we will be happy to go over your visa application requirements before your appointment at the US Consulate in your area.
