

## Miranda Lockman

### Associate

Miranda Lockman is an associate attorney whose practice focuses on family law.

Before law school, Miranda spent five years representing plaintiffs in personal injury matters, where she managed a high volume of cases involving catastrophic injuries and complex legal issues. Through that work, Miranda developed strong advocacy skills and extensive experience supporting clients through some of the most challenging moments of their lives.

Miranda's background in personal injury both informs and strengthens her approach to family law. She brings compassion, clarity, and steady guidance to clients navigating emotionally charged circumstances, along with the ability to think strategically and act decisively when the stakes are high. Whether assisting with divorce, custody, or other family related matters, Miranda is committed to helping clients feel heard, supported, and empowered throughout the legal process.

Miranda received her Juris Doctor from University of California Hastings, where she was an active moot court competitor, coach, and board member.

While in law school, Miranda received the CALI Excellence for the Future Award ("CALI Award") in both Domestic Violence Law and Appellate Advocacy. The CALI Award is given to the student who earns the highest grade in a law school course.
