

Digital Tools

Your apps will be visible right away, and ClassLink remembers your login information.

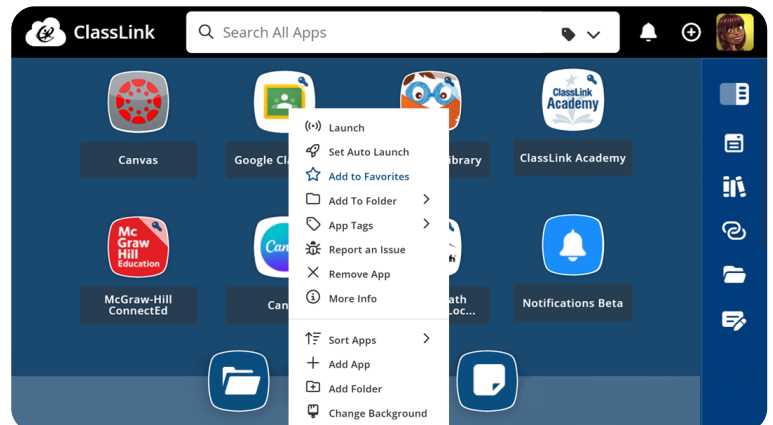

Profile Settings

Access your profile avatar, app passwords, sign-in options, and more.

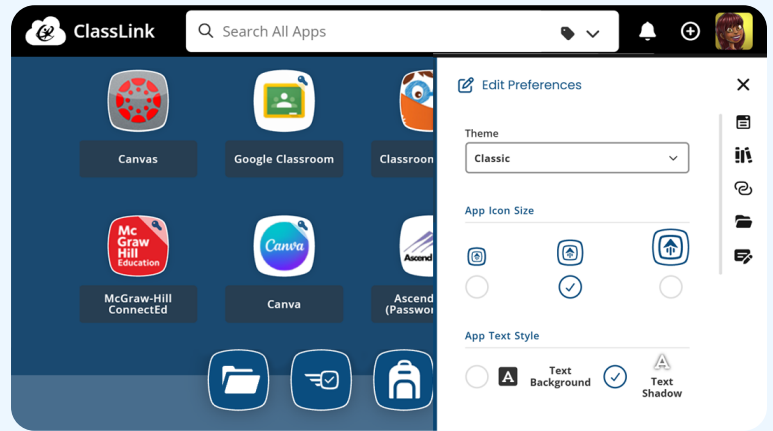

App Options

Right-click an app for more options like editing your password, adding it to your Favorites Bar, and more.

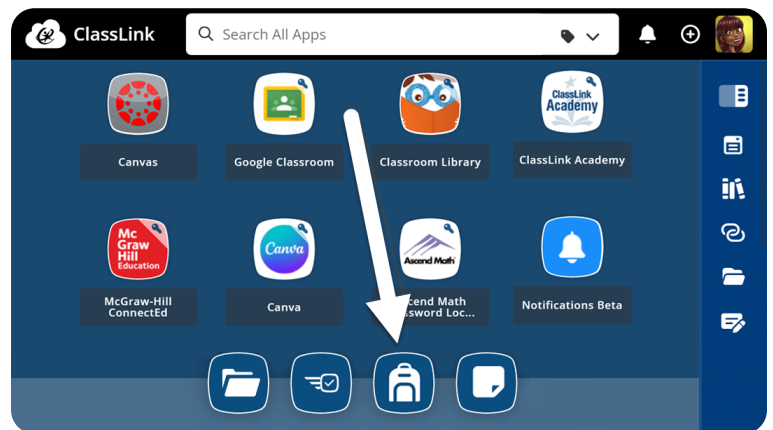

Preferences

Make your LaunchPad yours.
You may be able to change the theme, button style, and more.

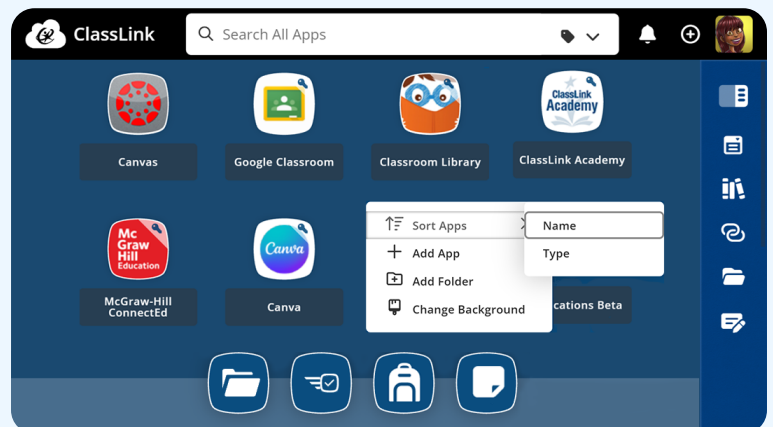

My Classes

Access class-specific apps and resources using My Classes, located in the Favorites Bar.

LaunchPad Options

Right-click the LaunchPad background for easy access to options. You may see ways to sort your apps, add apps and folders, or change your background.

Interested in learning more about LaunchPad?

Check out ClassLink Academy, an app on LaunchPad, or the [ClassLink Help Center](#).
