Subject: Public representation on SUMP with regards to Meeting Notice dated 15/07/2025 from the Prime Minister's Office, New Delhi

Respected Sir,

With due regards and submission, we have come across a Notice from your esteemed office regarding the implementation of SUMP. With great grief we write to you that we are in strong Opposition of the proposed SUMP and would like to officially inform you that we have been protesting the dam. It is to inform you that we are on indefinite peaceful protests against the deployment of CAPF (Central Armed Police Forces) for the forceful conduct of PFR (Pre feasibility report) for SUMP and we vehemently condemn the unconstitutional practice.

That Sir, we have written multiple representations and have on several occasions expressed our disapproval of the proposed SUMP. That we, the Adi people of Siang do not want to dam our Aane Siang nor be displaced from our motherland. We pray that the project proposal be cancelled and all activities with regards to the project, including the Pre construction cum Outreach cum CSR and deployment of CAPF be immediately ceased. We shall continue protesting until our demand is fulfilled.

We pray that our prayers are heard. Thank you.

Shri Dubit Siram
General Secretary, SIFFYW

Yours faithfully
