Making a SPLASH in 2026

As we look back on 2026, there is a lot to celebrate at the Roselle Park District. From major improvements to our parks and facilities to programs, special events, and opportunities to connect, this year was all about investing in the places and experiences that bring our community together.

Perhaps the biggest splash of the year came at Kemmerling Pool with the opening of the new splash pad and updated aquatic facility. Featuring more than 3,500 square feet of water play equipment, the splash pad expanded the ways families of all ages could enjoy Kemmerling. Gentle water features provided fun for our youngest visitors, while slides and larger play elements added excitement for older children. Parents joined in the fun alongside their children, while grandparents appreciated a comfortable, lower-risk water play option with young grandchildren. More than a new amenity, the splash pad created a space where multiple generations could cool off, play, and make summer memories together.

The improvements extended beyond the pool. After nearly 20 years of use, the Kemmerling Park playground was showing its age, with deteriorating equipment and limited play value. The renovation completely refreshed the space with new play equipment, a shade shelter, an outlook swing, landscaping, ballfield improvements, and more. Across the park system, we also replaced paths at Kemmerling, Engel, and Goose Lake Parks, continued our naturalization efforts, and planted new trees that will benefit our parks for years to come.

Our indoor spaces continued to grow as well. Following the Roselle Fitness Center renovation in late 2025, 2026 brought increased membership interest and welcomed more community members into the space. Beyond health and wellness, the Fitness Center continues to be a place where neighbors can connect and feel part of the community.

Some of the best moments of 2026 weren't about what we built or improved, but what we experienced together. Summer Concerts brought the community outdoors for evenings of live music, food, drinks, and time with friends and neighbors. Founders Day saw one of its largest turnouts, bringing families together for fall fun, pumpkin decorating, live music, food vendors, and more.

Throughout the year, summer camps, preschool, musical theatre, basketball and soccer leagues, adult trips and lunches, swim team, and countless other programs offered opportunities to learn, play, compete, explore, and connect. From our youngest participants to active adults, recreation offered something for every age and stage of life.

As 2026 comes to a close, we are proud of how much was accomplished, but even more grateful for the community that makes it meaningful. Thank you to everyone who visited a park, joined a program, attended an event, took a swim, worked toward a fitness goal, or simply spent time with us this year. We look forward to building on an incredible 2026 and creating even more opportunities to play, connect, and make memories together in 2027.

A loving dedication to the memory of our former director, **Miss Carrie Dabelow**, who courageously battled cancer and passed away this past September.

Carrie left an enduring mark on our theatre program and, more importantly, on the lives of the students and members of our theatre family. We miss her deeply and remain grateful for the countless ways she inspired, encouraged, and believed in us.

The Roselle Repertoire will always **"make energy a habit"** and honor Carrie's legacy by working hard, continuing to read great books, embracing our true selves, loving our families and friends, making brave choices, and supporting oneanother as a team.

Her spirit will remain a part of our theatre family, both onstage and off, and we are proud to carry her legacy forward in all that we do.

By redirecting the focus away from wins and losses and toward personal growth, we create an environment where winning is the byproduct of, and not the means to, success. This approach creates critical thinkers who understand the importance of giving their best in practice, games, and other endeavors. Our Coaches take pride in fostering that drive and motivating your child to find the champion inside of themselves.

GENERAL INFO

RESIDENCY

Not all Roselle residents are Roselle Park District residents. Even if you have a Roselle address, you may pay property taxes to another park district. Therefore, proof of residency is required at the time of first registration. Acceptable forms include a driver's license, utility bill, mortgage statement, or lease. A birth certificate may be required for dependents under 18. The District may periodically request that households reverify residency.

PAYMENT & WAIVERS

Acknowledgment and signature of all required waivers and releases, along with full payment, are required at the time of registration for processing. Waivers are included on the bottom portion of program registration forms, designated sign-in sheets, and fitness membership applications. These must be signed by the adult participating in an adult program, or by a parent or legal guardian for participants under age 18. Credit card payments require an additional signature to authorize payment. For these reasons, phone registrations are not accepted.

REGISTER EARLY

Please register at least one week in advance. Waiting until the last minute can lead to program cancellations when enrollment is too low and registering the day of or the day before will not bring a canceled program back. To avoid disappointment please try to register as early as possible.

WAITLIST PROCESS

A waitlist is created when a class exceeds its maximum enrollment. Names are added in the order registrations are processed. The front desk or program supervisor will contact customers for confirmation before placing them on a waitlist or moving them from the waitlist into the program. Please note: all required paperwork and payment must be completed before a participant can be transferred into a program.

TRANSFERS

A transfer allows participants to move their registration from one program to another or from one household member to another within the same household. Transfer requests must be submitted at least two business days prior to the program's first class, meeting, or practice. Any additional fee balance must be paid at the time of transfer for registration in the new program to be completed. Transfers between different households are not permitted, and waitlists may not be bypassed through a transfer.

RETURNED CHECK POLICY

We gladly accept personal checks as payment. If a check is returned for any reason marked "NSF," we will contact you. Full payment, along with a $30 processing fee, must be made by cash or money order within five business days or prior to the program start date, whichever comes first. Program participation privileges will be suspended, and no new registrations will be accepted until payment is received.

AMERICANS WITH DISABILITIES ACT (ADA)

The Park District complies with the Americans with Disabilities Act (ADA). Participants with a qualifying disability who require an evaluation to determine appropriate accommodations should note their needs on the registration form and contact the Park District at (630) 894-4200. For additional services, please contact the Western DuPage Special Recreation Association at (630) 681-0962.

INSURANCE COVERAGE

The Roselle Park District does not provide medical or accident insurance for injuries sustained while participating in programs or using park facilities. Accordingly, the Park District cannot assume responsibility for personal injuries incurred during participation or facility use. Participants are encouraged to secure coverage through their own personal insurance plans.
