In compliance with California requirements, teachers instructing in grades 7–12 must complete a new LGBTQ and Cultural Competence training. - The required LGBTQ-Cultural Competence training video will be viewed by February 1, of each year within the MOU time frame.
- After viewing the required LGBTQ and Cultural Competence training video, unit members will present their proof of completion to their site Principal for verification; and
- Unit members will complete a time sheet for 90 minutes and will be paid at the conference rate of \$70.19 per hour.

All other issues related to Article XVIII will be governed by the Collective Bargaining Agreement between the Ontario-Montclair School District and the Ontario-Montclair Teachers Association.

This MOU is non-precedent setting.
