Escape Room

A dragon is about to attack a small village perched on the top of a cliff edge and ruin Christmas. It's your responsibility to banish the dragon by shouting his name. But what is his name?

You'll work in teams of 4-8 people and solve 7 cryptic puzzles within 60 minutes in order to save Christmas!

1.30pm - 3pm

Paint a Festive Scene

A painting masterclass which will be hosted by a professional artist.

Ahead of the class you'll each receive your own painting kit in the post, containing everything you'll need.

1.30pm - 3pm

Musical Bingo

Just like regular bingo but instead of shouting out numbers, the DJ will play songs. Each round takes on a different theme of song choices. Mark off the songs you hear on your digital bingo card. The first person to complete their card wins a prize.

3pm - 4.30pm

Cocktail Making

Hosted by a professional mixologist, you'll receive a cocktail making kit in the post prior to the event. On the day you'll make 3 cocktails. Mocktail kits also available.

4.30pm - 5.30pm

Luca Volpe - E-mentalist

Mentalism is a branch of magic where practitioners demonstrate highly developed mental or intuitive abilities and illusions of the mind.

Join world-renowned Luca Volpe for what is sure to be a truly memorable experience!

4.30pm - 5pm

The return of DJ Birju

Following on from his successful DJ stint at our summer party, our very own Birju Thakker is back to get you all in the festive spirit. Requests will be taken in advance and there'll be a few Christmas favourites in there too. So get your dancing shoes at the ready!
