BVS Astronomy Club

The Astronomy Club holds monthly telescope viewing nights for the BVS community. Weather permitting, we set up telescopes in the Cub Lake Basketball Court on the Saturday nearest the first quarter Moon. Everyone is invited to stop by for a look at the Moon and other interesting objects that happen to be easily visible through our telescopes. Telescopes should be ready around sunset.

The club meetings are the first Wednesday of the month in the Oak Tree Banquet Room starting at 6:30 pm. We often feature lectures by astronomers invited from around the country to speak. Non-members are welcome to attend.
