Introducing the All-New Oak Tree C.C.

Junior Golf Development Program!

We are excited to announce the launch of our brand-new Junior Golf Development Program, designed to help young golfers of all skill levels learn, grow, and have fun in a positive and encouraging environment. Whether your child is picking up a golf club for the very first time or already has experience on the course, this program is built to develop confidence, improve fundamentals, and foster a lifelong love for the game.

Beginning Wednesday, June 17th through July 22nd, sessions will be held every Wednesday from 10:00 AM to 11:00 AM at Oak Tree Country Club. Participants will receive professional instruction focused on the key building blocks of golf, including putting, chipping, full swing fundamentals, course etiquette, and game improvement skills. The program cost is \$30 per student, with a convenient day drop-in available for just \$5 per student, per day.

This year, we are proud to offer more resources than ever before. Junior golfers will have access to brand-new Cleveland junior clubs and golf bags, providing quality equipment specifically designed to help young players succeed. Students will also receive help from the use of our new Foresight GC3 Launch Monitor, one of the industry's premier player development tools. The GC3 captures essential swing and ball-flight data, including carry distance, club speed, ball speed, launch angle, and accuracy metrics, helping young golfers better understand their game while making learning more interactive, exciting, and effective.

Interest in the program has already been tremendous, and with a limit 30-40 junior players per session, space is filling fast. We encourage families to reserve their spot as soon as possible by contacting or visiting the Golf Shop Today! Do not miss this exciting opportunity to help your junior golfer build skills, make friends, gain confidence, and create lasting memories on the golf course this summer. The future of golf starts here at Oak Tree Country Club!

As Always, Hit Em' Straight,

Yeager Jarrett - Assistant Golf Professional
