Exceptional COVID-19 Crisis Response Call

EIT Crisis Response Initiative

- Allocation of nearly €5 million
- Close to 100 applications
- 11 COVID response innovation projects
- From call to demo in only 6 months
- COVID Accelerator program supporting 23 startups.
- Most of the Covid response projects focus on supporting shared mobility, helping vulnerable people access mobility services despite the pandemic, and hygiene measures to maintain confidence in public transport.

Inspiring cases

1. FURNISH: Co-creating new public spaces in times of pandemic
2. IncludEbike : Improving frail people personal mobility providing them with an e-bike tandem cycling experience, assuring social distancing and creating new jobs.
3. Getting the wolf on 2 wheels - Rome
4. CoVCAP: Coordinating volunteers to support COVID-19 affected persons
5. A Charter to reduce commuting during peak hours in Île-de-France
