Assalamualaikum.

Dear Parents and Carers,

Welcome back for the new academic year – September 2025

Dear Parents, Students, and Guardians,

Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

Welcome back to another exciting school year at **Abu Bakr Al Ihsaan Academy**! We hope this letter finds you in the best of health and Imaan. As we begin the new academic year, we are filled with renewed energy and commitment to providing your children with a nurturing and academically rigorous environment rooted in Islamic values.

Our dedicated team of educators has been working diligently over the summer to prepare classrooms, enhance curriculum plans, and ensure that our school remains a safe, inspiring place for students to learn and grow. We are excited to partner with you once again in your child's educational journey.

A Special Note for Our Students:

If you have a child in **Year 7**, we hope they had a wonderful first day today as they began this important new chapter in their educational journey. For those with children in **Years 8–11**, we are excited to **welcome you back tomorrow bright and early at 8.45am**, insha'Allah! We look forward to seeing familiar faces and continuing to build on the progress we made together last year.

Setting the Tone for Excellence

As part of our continued effort to uphold strong academic standards and character development, we have prepared a **"High Expectations" PowerPoint** to share with all families. This presentation outlines our expectations for behavior, academic performance, classroom etiquette, and Islamic conduct. Please take a moment to review it thoroughly, as it reflects the values and standards we aim to cultivate across all grade levels.

Let's Work Together

We believe that the key to a successful school year lies in strong collaboration between home and school. Your support, encouragement, and engagement are essential to helping our students thrive. We encourage regular communication and welcome your involvement throughout the year.

Let us all make du'a for a productive, safe, and blessed school year. May Allah (SWT) grant our students success in both their deen and dunya.

JazakAlla Khair for your continued trust and support.

Warm regards,

Wasalaam,

Mrs R. Begum
