Howdy y'all,

and welcome to Cowboix Hevvven, where every day, is Friday night. We're more than just your ordinary, reg'lar, run of the mill afterlife purgatory honky tonk dive bar, we serve hot dogs too. Pull up a seat and eeeeeeease on in friend. Yer one of US now.

With Country Starlet Mega Stars, weepy lil devils, moody rainbows and holy rollin angels, yer in good compny pardner. Go on help yerself to our worlds famous Malarkey Sandwich, an' warsh it on down with an iiiiiiice coooooold brew.

Cry a tear in yer beer as tradition demands, gettin' lost in the music of the Cadillac Rattlers. Catch a break at the pool table, pack yer posse in the photo booth, and please, don't rock the jukebox. Cozy up honey, we got you! If'n it's yer first rodeo, or you happen to be a seasoned hand, you've always gotchyerself a place right here, in Cowboix Hevvven.

With love, and Grace,
eternally yours,

Batsy
