ABOUT MEOW WOLF

Recognized in Fast Company's 2020 list of World's Most Innovative Companies, Meow Wolf is a Santa Fe-based arts and entertainment company that creates **immersive, interactive experiences** to transport audiences of all ages into fantastic realms of story and exploration.

Meow Wolf works with hundreds of creatives to build havens for inspiring possibility, and a sense of belonging for both artists and guests. At each location, local and international artists work together to create inclusive installations reflecting both the cultures of the surrounding community and the greater fellowship of artists.

THE REAL UNREAL

The Real Unreal is an immersive, interactive psychedelic art wonderland with a mysterious underlying story that expands minds and fuels imaginations.

Meow Wolf is centered around venturing into the unknown, exploring areas that are unexplored. Each experience starts with a familiar location and each is completely different. Created by **over 40 collaborating Texas artists**, this exhibition is home to over **70 installations, rooms, portals, and wormholes layered with interactivity**. The spontaneity of the Meow Wolf multiverse allows a future without the restrictions of the past, a reflection on the value of storytelling and art and consideration of the impossible.
