

# PROPHETIC BLUEPRINT 2018

# PROPHETIC CASTING

## OVERVIEW

Every year we set aside time in the first weeks of January to hold a special service where we come together as a whole body and prophetically speak into our church what God is revealing and establishing for the New Year. This is an important night of tuning in to hear the strategies and prophetic blueprints for what God will release on the Earth.

Our Leadership team will speak and prophesy their revelations and bring together other revelations released

This will be a night of positioning and clarity so that we know how to pray, praise, worship, war, fight, intercede, discern, proclaim, and align ourselves with the Kingdom Of Heaven and God's perfect plan for the coming year.

Theres two sides to the coin, so therefore we will also address the enemy's strategies and tactics to try and distort, detour, distract, and discourage believer's walking towards their destiny in the coming year.

Our Apostle and Prophets will speak into World, National, and Church events and activate the individual seasons for each person's life so that Heaven collides with Earth and His Kingdom Comes.

Surely the Sovereign LORD does nothing without revealing his plan to his servants the prophets. - Amos 3:7

# WORD OF THE LORD 2018

Thus Saith The Lord,

The Man of War has risen up. He is training your hands for the battle and showing you the way to step forward into this year. Your position is changing both in that you are being promoted, and moving from the back foot to the front foot. Living on the front foot is faith and obedience to the words of the prophets, like the widow who baked the cakes for Elijah and on his command (1 Kings 17:13). God gave grace to her initial begrudging attitude. When the prophets' words come to pass as it did in this case with Elijah, the prophets will take the position of honor in the church, and in some places, the world.

2018 is a new beginning, and the '8' represents a 'never-ending' or infinity figure. The Third Reformation is ushering in an everlasting movement of power and authority, and love. The beginning is a gate, and we enter in for the 'face-to-face' with the enemy...it is not a battle of strength, but an engagement, and even a staring contest of sorts. Who will look away first?

The Lord says I am building you to be unshakable to the enemy's gaze. But he is weakening. Even he will collapse under contradiction.

You are not called to stay at the gate, for it is not where you set up your home. You are to take possession and become the access gate for those who you are connected to, then you will move deeper into the land, bringing the gospel of the kingdom to places that those without discernment considered given over to Satan for eternal destruction. The prophetic will the opportunity even to speak into the ears of authority, and even see the shift of goat nations to sheep nations.

The Lord says, This is the crossroad (Rev 3:16), Because you are like lukewarm water-neither hot nor cold I will spit you out of my mouth. This is the year of teamship, there will be no individuals that will stand out in a team. I'm calling for a champion team. There are no champions; except for the champion team.

In these early months, hold up those prophecies, and even the five year plans from 2016, if you have them. Allow the Spirit to blow the Ezekiel 37 "second breath" - So that you become positioned to be the Army Of God.

- The Lord Jesus Christ

# GOD SPEAKING:

---

I am the man of war rising up within you. I have delivered you from deferred hope at the end of the last season.

Unfinished business and unresolved issues (loose ends) were all finalized and tied up. You will enter this New Year with no 'trip ups' exchanging old thinking for new.

You're always in good standing with me even though you may fall - this is your confidence in me. I will always bring you back to right standing before the Lord.

When I promise a thing, that word empowers its recipients to complete what I have asked.

The power to do what I say is in the words I speak. Like Peter getting out of the boat to meet me on the water - don't lose focus and get distracted by sinking in doubt. Satan will try to distract you from your prophesied objectives.

Your prayers goes up before me as a memorial and it tips the scales in your favour before the throne. Keep the momentum in the spirit in prayer says the Lord.

There will be many that will face the unresolved issues of yesterday. Like Joseph, some may be thrust back to the pit from which they were extracted. The purpose is to redeem those who are still in that same pit!

Tunnel Vision is good when all you see at the end is me. Fix your eyes on me - I am the author and finisher of your faith. Remember that Satan is a sideliners.

Those that live in self will continually fight the spirit of rebellion. Rebellion is like a wrecking ball to your faith. It will damage you and people you're connected to. Check yourself before you wreck yourself.

Don't hang onto what I have given till it dies, you need to give up the old while it's still alive in order to receive the new. True generosity is when you give it when I have told you, not when it is no longer of use to you!

**"THIS IS THE WORD OF THE LORD!"**

# SEASON 2 JAN - APR

## TRUE DISCERNMENT

*The Lord says, The true discernment of spirits is seeking rather than summing it up.*

*These are the attacks of the enemy that you are to discern in the season:*

- No hand to hand combat. Face to face is not fist to fist. It is a spiritual face off. Victory comes by a rhema of the Holy Spirit not your spiritual strength. You'll need to have a prophetic edge to prevail.
- Blessings will be a direct result of obedience not just grace. There will be no blessings that are stumbled into.
- Intercessors need to pray into what the prophets have activated.
- **Intimidation:**  
Its purpose is to instill fear and kill your faith so that your destiny will not be reached. It wants us to shut up and sit down and don't raise our heads again! It is happy with our silence. The spirit of Jezebel will threaten and intimidate where there is place for accusation. Get ahead of it.
- **Manipulation:**  
When we do not fully trust God to do it, Satan will try to entice us to use human psyche and demonic wisdom. Beware!
- **Depression:**  
Not reaching the mark we set for ourselves or the grades we put on our selves leads us to feel disappointed in ourselves. Unresolved disappointment leads us to depression. Depression is when a spirit is over us instead of under us. We must not become enslaved by it.
- **Hope Deferred:**  
Waiting is the hottest flame in the furnace of faith. Time is not God's enemy, Satan will try to use time slots to defer your hope; with emphasis on how little time you have left or the having too much time.
- **Exhaustion:**  
Satan's tactic is to wear us down SLOWLY. One of the first things we lose when we are exhausted is God's perspective. Discernment is also quickly forfeited. Survival is the lowest level of faith.
- **Distraction:**  
Loosing our focus on things that are trivial and not really important in the kingdom's light! Keep the main thing the main thing!
- **Forgiveness:**  
A door that we have to walk through to become the door. It has to be for giveness for yourself, it has to start with you for you and then overflow to others.

# MAN OF WAR

---

Don't look away  
My armor is girded  
Ready for the gaze  
of your empty threats

You stare as  
If your power  
is greater than His.  
Your breath reeks  
of falsehood

Don't look away  
from those dingy details  
that you've brought  
against me to the table in  
His courtroom

Too bad for you devil  
that in Jesus name  
I'm covered in  
His blood  
His grace  
His forgiveness.

My man of war  
fights for me  
but now, I can fight  
through He!

I will not  
look away cause you  
can't stare into His glory.  
You are cursed to the  
ground  
the pit  
is your story
