Vacation care bookings are made through the "My Family Lounge" app, using the casual booking method, which will be available once bookings are open. Please utilise a PC or an Apple device. **No phone bookings available.**

Our vacation care program is a collaboration of children's suggestions. Children actively contribute to the planning of the program – in centre activities, incursions, excursions, arts & crafts, outdoor play/sports, arvo tea menu & birthday suggestions.

When children actively contribute to the program, they are more likely to be engaged in play that responds to their interests, abilities and strengths.

Collaboration with children means consulting with children in ways that are developmentally appropriate and meaningful to the child.
