Force d'Âme

Force d'Âme is an adjective for someone with strong willpower and perseverance. They are calm yet strong, patient yet determined. It opens with a subtle transparent floral, like dew on a rose petal—it feels calm and peaceful. The fragrance is complex yet straightforward, contrasting between a simple floral and a more elaborate woody core. Over time, this perfume will get closer and closer to the skin, leaving a smooth, cedarwood, and musky scent. The musks have a fruity touch—a sweetness that adds solace.

Imagine: You are determined to get what you want.
Key Words: Harmonious, Enduring, Serene.
Olfactive Family: Floral, woody, musky.
Key Notes: Rose and Cedarwood

50mL - IDR 379,000

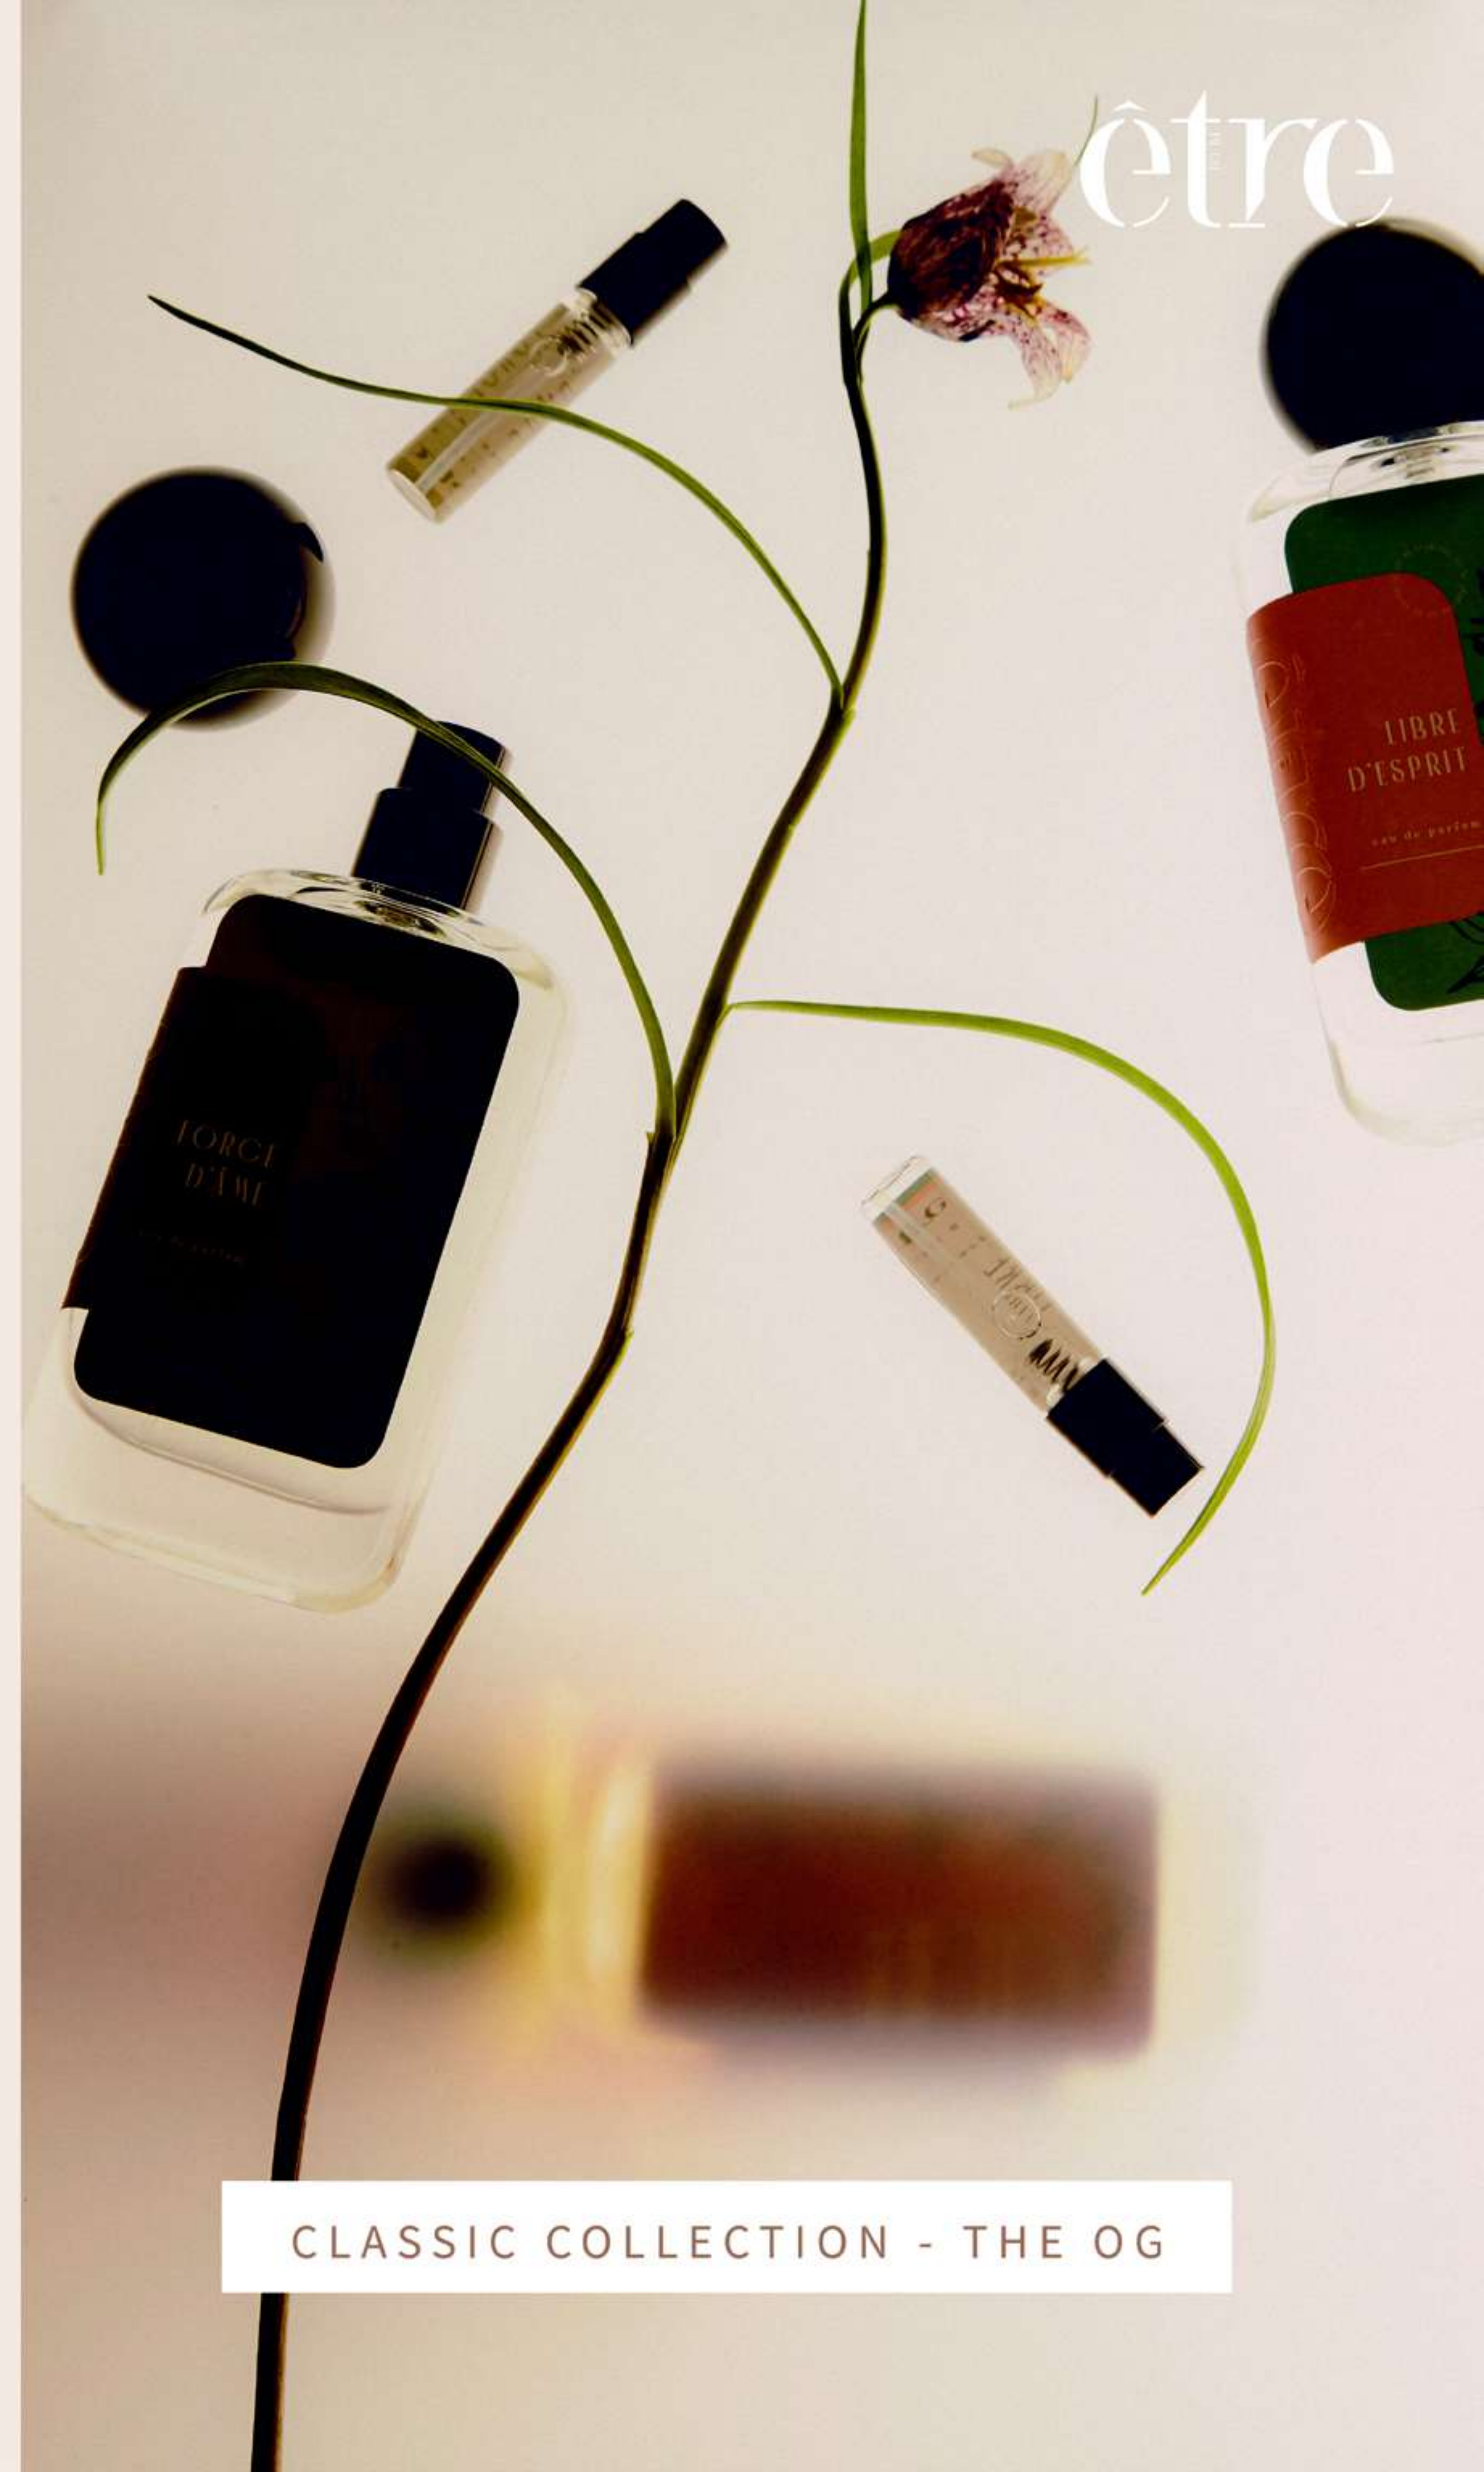

Volcanique

Volcanique is an adjective that describes someone who is bold, fiery, not scared to speak their mind, and ready to take the world. We involved notes of freshly picked pears and berries at the opening – the fresh, sweet, and green notes provide a cool sensation amidst this bold composition. The floral notes in Volcanique is charming and sensual, thanks to the combination of iris and jasmine. They blend harmoniously with patchouli and sandalwood, smelling woody, earthy, slightly smoky, and creamy. Finally, the balsamic and powdery notes of vanilla begin to reveal their beauty, leaving a sultry and unforgettable finish.

Imagine: Being in a room full of opportunities.
Magic Words: Passionate, Boundless, Exuberant.
Olfactive Family: Oriental, Floral, Woody.
Key Notes: Iris and Patchouli.

50mL - IDR 379,000

CLASSIC COLLECTION - THE OG

Libre d'Esprit

Libre d'Esprit in English means free spirit. It is an adjective to describe someone adventurous, energized, and with a bright personality.

Imagine being in a tropical area when the sun is above you. Libre d'Esprit has a bright and pleasant fragrance with tropical fruity notes. The fragrance starts with a fresh, juicy, and sweet blend of watermelon and pineapple. The freshness continues with the smell of a peach cocktail with coconut water, giving cooling and soothing sensations. On the other hand, this perfume has a relaxed and soft texture that makes it comfortable to wear, thanks to the blend of musk and sandalwood.

Imagine: You are about to do something fantastic.

Key Words: Lively, Sparkling, Delightful.

Olfactive Family: Fruity, Floral, Green.

Key Notes: Watermelon and Coconut.

Angélique

With carrot seed essential oil as its hero ingredient, Angélique exudes a combination of warm, earthy, and subtle powdery notes, with a hint of sweetness that gracefully unfolds in the background. It offers a sense of refined comfort and soothing warmth.

As it evolves, Angélique slowly reveals the captivating beauty of lilac and iris, further enriching its floral silhouette. Gracious and elegant, Angélique speaks of peace and harmony in every whiff, creating an aura that is tranquil and enchanting.

Musky and powdery, Angélique stays close to our skin, like a silky sheer fabric, soft to the touch and pleasing to the eye. In its simplicity, Angélique turns heads. Angélique's scent is not just captivating, it's addictive. It lingers in the memory, much like a delicate touch, making it a fragrance that leaves a lasting impression.

Imagine: You are enjoying a serene melody amidst life's rush. You embrace your imperfections, let go of the past, and are ready to find peace.

Magic Words: Timeless, Harmonious, Captivating
