CELEBRATING **155** YEARS OF HOPE

The record-breaking 43rd Annual Golf Scramble for the Children welcomed more than 210 golfers. Read the recap on page 6.

November 29, 2026

OFFERING OF HOPE

for 5th Sunday

Bringing Hope to Children Since 1871

From the President's Desk

by Julie Hager Love,
President/CEO

Our 43rd Annual Golf Scramble for the Children was held on Friday, September 11. My deepest thanks are due to all participants, our sponsors and staff who made the day such a success.

Our golfers had a great spirit about them as they enjoyed golfing and lending their support to the mission of helping children, youth and families heal from trauma. Everyone seemed to have a good day and that's worth thinking about. It rained on the morning folks and the sun mostly shone on the afternoon folks, but everyone showed up with gracious hearts, prepared to enjoy the day whatever the weather. I'm not sure there's a name for that, but I believe there's a spiritual gift in finding joy, even when circumstances may seem to not be optimal.

That's a simple example of a serious truth that is a central part of the work

that you are a part of along with the Children's Homes. The story from our Independent Living Program shares about Sam finding his spiritual gift of music which has helped him through difficult times. As his therapist said, "When he sees a challenge, he finds joy in it."

We are grateful for those who share their spiritual gifts with us by way of your prayers, volunteering, and sharing of your resources. There is a wonderful spiritual dimension to the ways in which you walk with us as we strive each day to "serve Christ by providing for the physical, emotional, educational and spiritual needs of children and families."

We are celebrating the expansion of our *Home Monitoring* program to all 120 Kentucky counties.

Through this program, youth who are involved in the justice system live at home with their families instead of juvenile detention. They receive **support** and **accountability** from a **KyUMH** case manager, who helps them work towards a **brighter future**.

Our Mission

To serve Christ by providing for the physical, emotional, educational and spiritual needs of children and families.

Our Belief

We believe every individual is an individual of worth, entitled to God's gift of wholeness of life.

We serve persons regardless of race, ethnicity, economic status, sex or religion.

Check Out Our Christmas Wishlist! (inside of back cover)
And thank you for your support this Christmas!

You Helped Sam Find His Voice

by Rebecca Merrill, Director of
Communications and Public Relations

Because of your support, Sam* doesn't have to face challenges alone.

Sam came to live with us this year after aging out of foster care. He describes himself as someone with a good sense of humor who likes to interact with people. Our staff light up when they talk about him because of his positive attitude.

Sam is a freshman in college and hopes to have a career in human services. "I want to help younger generations know they have a voice," he says.

It's his goal because **he knows what it feels like to have no voice.**

Sam grew up in foster care and has a physical disability—challenges that he tackles with his signature determination.

Sam worked hard to graduate from high school. It was an accomplishment that came during a difficult time.

The same week he graduated, his foster dad passed away.

"I'm sad he left, and I'm happy I graduated," Sam says. "It's something I have to deal with."

As he processed his loss, he found a new creative outlet: writing music.

"Music has always been a hobby of mine. **It helps the words come out a little easier.** When my foster dad died, I wrote a tribute for him," Sam says.

Sam has written countless songs this year. With support from our staff, Sam is living in an apartment and learning life skills as he transitions into adulthood.

"I want to help younger generations know they have a voice."

"I've become more independent," Sam says. "It's still a work in progress. It feels like a wonderful thing."

"Sam is a strong young man. He wants to leave a positive imprint on the world," said his therapist. "When he sees a challenge, he...finds joy in it. He'll take a situation and say, 'This isn't so good, but I can do this!'"

Thank you for helping youth like Sam face challenges with joy and determination. Your support helps Kentucky kids find their voice, build independence and create a brighter future.

*For client privacy, we use a pseudonym and representative images.

We are excited to share that we are a recipient of a
Kentucky Colonels Grant.

For many of our youth who live with us, we regularly drive them to visit their family at home.

The Kentucky Colonels Grant will help us purchase a vehicle that will transport youth to home visits. These visits are essential for maintaining family connections, emotional well-being and successful reunification.

Fall Highlights

1 Donation from Antioch UMC: We are so grateful for the children and members of Antioch UMC who decorated and assembled care packages for our staff. It brought a lot of joy to our hard-working staff. Thank you for your generosity!

4 Leadership Team Retreat: Our Agency Leadership Team gathered to meet and retreat at Camp Loucon. Through team building exercises and intentional discussion, we focused on our vision for the future of KyUMH.

2-3 Volunteer group: Youth from Rockford Reformed Church in Rockford, Michigan helped write notes of appreciation to our staff and helped with window washing! We are grateful for their service.

5 Jessamine Women's Group: KyUMH was pleased to host the July meeting of the Jessamine Chamber of Commerce women's networking group. Georgia Dunn, Director of Mending Point Behavioral Health, was the speaker and talked about why self-care is important as a woman in business.

The Christmas gift I never expected

by Melissa Brown, VP of Advancement

I hope that by the time you read this, you've read Sam's story (*see page 3*). As I thought about what a wonderful, creative young man he is, I began to reflect on what it means to be known—really known.

I love the arts, and as a teenager, I spent nearly every free moment drawing and painting. My parents always encouraged my passion, and I still remember moments when my father proudly shared my work. It meant so much to me that this part of me was celebrated. They never begrudged me for running off with their “good” pens. I'm sure there were many times when my family sat down at our computer and wondered, *“Where did all the printer paper go?”*

One Christmas, they completely surprised me with one of my favorite gifts. It was something I thought was completely out of reach for a family with five children. But on Christmas, I opened a package and found a small drawing tablet that would allow me to create digital art. I was overwhelmed with joy because of the specificity of the gift. I would have enjoyed any art supplies, but my family knew how meaningful that tablet would be in helping me develop as an artist.

To be known is to be celebrated with specificity.

We make this a priority for how we care for youth like Sam. We are honored to celebrate him and lift him up on your behalf.

At **KyUMH**, your gifts make so much possible, including ensuring each child receives care tailored to their unique needs. No two children are identical—and glory to God for that! Each brings a wonderful array of gifts and possibilities into the world, and your investment helps them flourish.

As you look toward the end of 2026, I invite you to help children and youth across Kentucky know that they are seen and celebrated. Please consider making the ministry of **KyUMH** one of your top charitable priorities so that, together, we can continue ensuring young people feel truly known!

Meet Mandy Roberts, Director of Donor Relations

Mandy Roberts joined **KyUMH** as the Director of Donor Relations in June of 2026. She specializes in helping donors stay connected to the mission of **KyUMH**. A native Kentuckian, she graduated from the University of Kentucky with a B.S. in Agriculture/Animal Science. She also has a M.S. in Community and Leadership Development with more than 25 years' experience in the association management and nonprofit sectors. Her skills include marketing,

communications and fundraising as a major gift officer. She is excited to meet donors, learn about their passions for **KyUMH** and develop a genuine connection. Mandy also has twin, 19-year-old daughters who are currently sophomores at the University of Kentucky and Western Kentucky University. In her free time, she enjoys reading, walking with her two dogs, Sophie and Hunter, hiking and practicing yoga.

If you'd like to meet with Mandy you can email her at mandy.roberts@kyumh.org or contact her via her cell (859) 523-4649 or the office (859) 523-3001.

Celebrating a record-breaking scramble!

EVENT SPONSOR

— THE —
GLENVIEW
TRUST
— COMPANY —

On September 11th, KyUMH welcomed 210 golfers to Golf Club of the Bluegrass, all for one purpose—to help Kentucky children.

Our 43rd annual Golf Scramble for the Children raised a record-breaking \$60,000. The proceeds of the event will help youth served by KyUMH heal from abuse, neglect, and trauma.

We are grateful to all the staff, volunteers, sponsors, and participants who make this event such a wonderful day, year after year!

SPECIAL THANKS TO

Thank you for giving KyUMH kids a fun Summer!

“Not many kids like me get to go out and have fun.”

That’s what one of our residents told us this past summer. He was speaking to a truth we know all too well at **Kentucky United Methodist Children’s Homes**: youth who grow up in unsafe homes know that play and fun are out of reach.

Crisis, trauma, and chronic stress impact our brains and bodies in significant ways. It

drives us into focusing all our energy into survival mode—shutting down the parts of our brain that allow us to be imaginative and play.

That’s why we prioritize recreational opportunities for our residents. **Having fun is healing.** This past summer, thanks to support from generous donors, our youth visited amusement

parks, cooled off at the pool, watched movies, did a **LOT** of fishing, and more! Our residents were grateful for each of these opportunities.

“KyUMH really cares about us and wants us to be able to have fun,” said a resident. “It has made a difference in my life.”

*For client privacy, we use representative images.

Founded By

We are proud to announce we are joining the **Face It Movement**, founded by **Kosair for Kids**, as we work together toward our shared goal of ending child abuse in Kentucky.

As a **Face It** partner, we are excited to collaborate in promoting best practices for child abuse prevention and intervention, as well as advocating for effective child welfare policies that protect and uplift Kentucky children. **KyUMH** joins 195 other organizations in this movement.
