Applicants must be NRC member companies. No project entities/JVs are allowed to apply. Companies can include information and data from project entities/JVs in which they are the managing partner.

If you have any questions, please call Jordan Goff, of Commercial Insurance Associates at (615) 620-0596.

Return application package to awieland@nrcma.org by November 14, 2025

Awards will be given to NRC member companies based on the criteria below.

Award categories:

Platinum 98 to 100 points
Gold 88 to 97 points
Silver 78 to 87 points
Bronze 68 to 77 points

1) Workers' Compensation Experience Modification Rating		30 points max
Check your experience modification rating for 01/01/2025 to 09/30/2025 time period		
0 - .69 69-0%		30 points
.70 - .79 70-79%		25 points
.80 - .89 80-89%		20 points
.90 - .95 90-95%		10 points
.96 - 1.00 96-100%		5 points
1.01 101% and above		0 points
		Your score
Provide State Experience Modification Rating (EMR) Sheet from the rating bureau, or your National Council on Compensation Insurance (NCCI) Rating documents. <i>Note: Canadian-based companies must submit their workplace injury summary report for the time period 01/01/2025 to 09/30/2025. Canadian-based companies must fill out the EMR data form if they want their application to be graded.</i>		

2) OSHA Work-Related Injuries and Illnesses		15 points max
Calculate your OSHA DART -- Days Away, Restrictions and Transfers. Take the company's total number of deaths (line G of OSHA Form 300A), cases with days away from work (line H), and cases with job transfer or restriction (line I) then multiply by 200,000, and then divided by employee hours worked. You can find the 300A Form on the OSHA website at http://www.osha.gov/recordkeeping/RKforms.html. Use the information for the time period Jan. 1, 2025 to Sept. 30, 2025. <i>Note: Canadian-based companies should use the same data above in a similar manner to calculate their DART.</i>		
DART		
Check your DART score for 01/01/2025 to 09/30/2025 time period		
0-1.99		15 points
2.00-3.99		10 points
4.00-5.99		5 points
6.00 and above		0 points
Your Score		

3) OSHA Statistics Violations		10 points max
Go to the OSHA statistics establishment search website http://www.osha.gov/pls/imis/establishment.html, type your company name into the search field, and search using the following criteria: -State: All States -Fed & State -OSHA Office: All Offices -Case Status: Closed -Violation Status: With Violations -Inspection Date: Start January 1, 2025; End September 30, 2025 Then print out the results, which will either show no results or detailed overviews of relevant inspections and accidents. Include these results in your packet. <i>Note: Canadian-based companies will be required to provide a statement on their company letterhead stating they have or have not incurred any employee injuries resulting in governmental investigation or violation recording</i>		
No Incident		10 points
1 Incident		5 points
2 or more incidents		0 points
Your Score		

4) Roadway Worker Protection Training/Safety and Compliance Training		15 points max
Earn 10 points for FRA, NRC training program, or third-party training.		
	1) RWP or other comparable FRA training 2) Additional compliance training from other regulatory agencies (OSHA, MSHA, FAA, etc.)	
	Submit completion documents from in-house training records, or third party (in person or via web-based training) to show evidence of training.	
	If your company does OJT, Job Safety Briefing or similar, please include evidence for an extra 5 points .	
<i>Note: Canadian-based companies will be required to submit a document to provide evidence of employee workplace safety for the contest time interval.</i>		
Your Score		

6) Driver/Vehicle Safety		25 points max
Mark, all that apply to calculate your score. Submit company policies to show driver program along with 1 redacted MVR from a company driver or a letter from your insurance company who performs this process for you.		
A: Company Driver Policy and MVR Score		
New-Hire Training/Review for Drivers		2 points
Annual MVR Training/Review		3 points
Distracted Driver Prohibition		2 points
Telematics installed on vehicles for improved safety		3 points
B: Vehicle Accident Rate (VAR):		
0 - 1.0		15 points
1.1 - 2		12 points
2.1 - 3		10 points
3.1 - 4		8 points
4.1 - 5		6 points
To Calculate VAR: Include all at-fault incidents during the period of January 1, 2025 to September 30, 2025. $\text{Total Number of (At-Fault) Incidents Multiplied by 1,000,000 Divided by the Total Number of insured Vehicles} \times \text{Multiplied by 30,000} = \text{VAR}$ <i>* Vehicles defined as motorized units, no trailers</i>		
Your total number of at-fault incidents		
Your total number of vehicles		
A: Company Driver Policy and MVR Score		/10
B: Your Vehicle Accident Score		/15
Add highlighted items (A+B) for Your Score		

Your Submission Package
