This Parmesan Spread, also known as cold pack spread, is a product made by Carr Valley Cheese. It features a rich and creamy texture, ideal for a variety of culinary applications such as spreading on crackers or using as a dip for vegetables. The spread embodies the classic, nutty flavor of Parmesan cheese, enhanced to be easily spreadable for convenience.

**Meat - Angel's Salumi & Truffles - Wild Boar Salumi**

Our Wild Boar Salami is 100% Texas Wild Boar and is prepared with herbs and wine to give an exceptional complexity and authentic flavor of the Mediterranean. It's fermented and then aged for two months in a dry room. Wild Boar has a darker, richer color compared to domestic pork, without the typical gamey taste.
