CHEFS CHOICE MEAT & CHEESE

Cheese - Grafton Village Cheese Co - Smoked Chili Cheddar
We amp up this cheddar with habañero, jalapeño and pasilla peppers for the right balance of chili flavor and spice. The cheese is then cold-smoked over maple and hardwood chips, adding a woodsy depth to balance its bright spicy flavors. The dominating aromas of smoke and chili are grounded by a creamy texture and buttery flavors, balancing yin with yang.

Meat - Busseto Foods Vino Rosso Dry Salami Con Vino

Our Salami Con Vino pairs the delicious flavors of our traditional salami with hints of red wine to create the ultimate experience!
