

TL79

Male display head covered in fabric, with metal base.

Male head display designed to showcase eyewear, featuring a clean, fabric-covered finish that adds a refined look. This model is presented with a fabric covering but is also available in a painted version, allowing flexibility in aesthetic options. It includes a "Light Gold Satined" metal base for added stability and elegance, though the head can also be displayed without the base. This versatile design makes it suitable for retail environments focused on eyewear presentation, providing a minimalist and sophisticated display solution
