

On this document, please see accreditation information for “Obtaining and Keeping Federal Tax-Exempt Status: Common 501(c)(3) Issues” for every state that requires CLE. If a state is listed as “Self-Submit” Napa Legal will work to provide you with all the information that you will need to submit your credit. Please note that fees in your state may apply. As a nonprofit organization, Napa Legal is generally unable to cover attorneys fees for CLE. Your purchase of our CLE serves as a way to both obtain relevant and high quality attorney formation, as well as to support our work defending Faith and Freedom. See a key with more information at the bottom of this document.
