Do you see the problem?

Faith-based investing is not just looking at the financial aspect of a company but also the moral aspect.

SO, WHETHER YOU

WHATEVER
YOU DO, DO ALL TO THE

If you can eat or drink to the glory of God,
you can certainly *invest to the glory of God!*

It's not just abortion...

Many investors are surprised to learn they are profiting from and supporting these unbiblical activities within their investment portfolios.
