

SHAPE THE FUTURE OF DIGITAL SELF-HELP GUIDES FOR **VETERANS**

Your voice matters.

Swords to Plowshares created legal self-help guides to make it easier for veterans and their advocates to **navigate VA benefits and discharge upgrades**.

We're working to improve the digital experience so veterans, families, and service providers can easily access and understand our guides.

By taking our short survey,
you'll help us:

- Improve how guides work across website, PDF, mobile, and printout
- Make information clearer, more accessible, and easier to use
- Ensure guides are designed with accessibility in mind — so everyone can benefit, no matter their capabilities or access to technology
