Launch June 2022							

### USA & Canada Domestic Codeshare and Partnerships

Through partnerships with United Airlines, Air Canada, American Airlines, Alaska Airlines and Hawaii Airlines, SAS offers smooth connections from cities throughout USA and Canada via its gateways to Scandinavia.

From the Scandinavian hubs—Copenhagen, Oslo and Stockholm—SAS has an extensive network with SAS Plus and SAS Go service to many European destinations.

Note that the route network is subject to change. Check your GDS for the latest updates.

## Long Haul

Choose SAS Plus, our premium economy to enjoy extra comfort and service. On flights to Scandinavia from the US, you will get a wider seat, extra leg room as well as access to SAS Business check in and SAS lounges.

- Fast Track where available.
- SAS Lounge where available.
- Priority boarding.
- Three-course menu.
- Beverages and snacks during the flight.
- Seat configuration:
  - 2-3-2 (A330), 2-4-2 (A350) and 2-2 (A321LR Single Aisle)
- The first row in SAS Plus has leg rests, the other rows have footrests.
- Wider seats and extra leg room.
- Reclining seat.
- Adjustable headrest.
- Entertainment system on HD screen.
- Power outlets and USB ports.
- Free seat selection.
- Free WiFi (one of 16 aircrafts is still waiting to be equipped with WiFi).

## Short Haul

Choose SAS Plus to enjoy more comfort and service. On flights within Scandinavia and Europe the seat comfort is the same as in SAS Go, however there are many extra perks

- Complimentary coffee and tea.
- Complimentary meal and snack that you can choose from the trolley.
- Fast Track where available.
- SAS Lounge where available.
- Priority boarding.
- Designated seating section in front of the cabin
- Free high-speed WiFi (available on most flights).
