Operating daily flights from
Hartford to Dublin, Ireland

Connections from North America

We offer more connections from North America to Ireland than any other airline, with over 80 destinations across Ireland, Great Britain, Continental Europe, Canada and the U.S.A.

Your connection

We fly non-stop to Ireland from Boston, Chicago, Cleveland (May 2023), Hartford, Newark, New York JFK, Los Angeles, Miami, Orlando, Philadelphia, Seattle, Washington D.C., San Francisco and Toronto. Experience seamless connections from the U.S.A. via Ireland to Great Britain and Continental Europe.

Experience Business Class

We really mean business when it comes to delivering a stress-free flight, with luxury dining, fully lie-flat seats and superb lounge facilities to keep you fresh and relaxed, and the connectivity you need to stay in touch.

Cleared for Arrival

All flights to the U.S.A. pre-clear U.S. Customs and Border Protection in Dublin and Shannon airports. Pre-clearance is the ultimate time-saving service.

Our Route Network

We have more flights between Ireland and Great Britain than any other airline with over 150 flights a day.

Surf while you fly!

With Wi-Fi and mobile on board our A321neo aircraft, you can keep in touch with friends and family, catch up on work, send some texts, or simply browse your favorite sites, all from the comfort of your seat.

4-star airline

Aer Lingus is proud to be recognized as Ireland's only 4-star airline, awarded by Skytrax.
