# **COMMENTS FROM THE COMMUNITY INPUT MEETING 5/15/2025**

#### WHAT IS IMPORTANT TO YOU AT THE LIBRARY?

- a. The Southwest Collection is amazing!
- b. Community programs/ events
- c. Computer help. movies, copies/ notary, lectures, presentations, a place to tutor
- d. The Afterschool Program, programs that bring people together, the park
- e. Books! Printer, seeing people gathering, space to meet, especially kids
- f. Office supplies available, like a printer (don't need to own one)
- g. Seed Library!
- h. 3d printing and design
- i. 3d printing, reading, books, kid's books
- j. More 3d printing
- k. Seed Library, notary, business services, meeting place, printing services, books, audio books, movies
- I. Books, meeting place
- m. The Library is a central meeting venue both formally and informally; a place for sharing info and experiences, i.e. archaeology talks etc.; books\_\_ very important! Would like classes to teach more computer/ laptop skills
- n. I can get computer help sometimes good books! Movies, copies, notary services and fax-very useful
- o. Programming

#### **HOW COULD WE IMPROVE OR SERVE YOU BETTER?**

- a. Talk History of the Embudo Valley. Volleyball nets, permanent stage, pamphlets of what there is to do in Dixon
- b. Study Room (opportunity to have a little more peace and quiet
- c. Computer classes for seniors
- d. Keep reaching out to the community, post often\_\_ Instagram, FB, Town Crier, Dixon through the Grapevine
- e. Try some new programming, different things and at different times. Take a risk.
- f. Color copy price: it would be great if it were more affordable. Other libraries charge .25/copy.
- g. You could have a computer expert come in regularly to help people with problems/issues on the computer and phone with programs and cyber security issues
- h. The atmosphere has changed to be more positive in the last 6 months, so it is easier to feel welcome there. I would be OK with fewer hours/days of the library being open in order to not exceed the budget

#### **HOW CAN WE IMPROVE PROGRAMMING?**

- a. Provide periodic sessions with a computer expert to help with updated programs, applications etc, on various devices. How to make fliers
- b. Weekly gathering time especially for older folks, 10AM Friday, coffee, newspapers, time to visit
- c. Stitchers time \_\_ come together to knit crochet, talk and help one another
- d. Conversational Spanish for beginners \_\_ an opportunity to practice and get feedback
- e. Computer Class
- f. It'd be nice to have more lectures, films, presentations, storytelling
- g. Robust 300th Anniversary programming, bring back candidate forums, info on elder issues like, end of life
- h. Support Fiestas
- i. Open mic, playing music, storytelling, poetry readings, meeting place for support groups, grief and depression
- j. Conversational Spanish for beginners and intermediates
- k. More 3d printing
- I. I like the programming! Lectures, videos, local expert talks
- m. Monthly Book Club
- n. More programs for computer literacy
- o. Offer more lectures, presentations, films, storytelling, music
- p. I feel the library grew too large too fast and now has to support this grant structure and all the little extra programs

#### WHAT FUNDRAISING IDEAS MIGHT YOU HAVE THAT YOU WOULD LIKE TO SEE US PERSUE?

- a. Rent the Community Room to private parties
- b. Slightly higher prices at La Segunda
- c. Reminders on Town Crier, advocate with Legislators
- d. Quarterly letters and eblasts to the community (it used to work)
- e. Auction\_\_ silent or live: Co-ordinate with La Segunda
- f. I know the library is always in need of funds but I get overdosed on fundraising in Dixon. Maybe less programs=less fundraising, or less hours= less fundraising

#### ANYTHING ELSE THE LIBRARY BOARD SHOULD BE TOLD?

- a. When implementation is limited by staff capacity, ask community members to help w/ tasks\_\_i. e. submit a
  grant, host an event, etc. desk volunteers are great. I think there is potential for volunteers to help expand
  programming
- b. Volunteers are wonderful
- c. You all are doing a good job. Thank you
- d. Record talks and post to YouTube page
- e. More space for books
- f. La Segunda building needs maintenance on the front porch. How do we address this?
- g. Thank you
- h. More outreach, regular fliers and visits with folks in the food pick-up, weekly info on Town Crier about services like Museum Passes, notary etc.
- i. Implement Mast Plan\_ especially the stage

# NEEDS OF NEURODIVERGENT FAMILIES: IDEAS? SENSORY NEEDS? SEATING? BUILDING ACCESS/ BOOK RESOURCES? (Survey Available)

- a. Library needs better acoustics. When working here, you can hear every conversation, because people don't talk softly. Sometimes it I shard to concentrate
- b. A full-sized table in the back corner of the library would make a nicer place to work or tutor
- c. It would be helpful if there could be a "study room" for adults and for kids. Also for tutoring distracted kids.

# Final Executive Director's Report - Cover Letter

**To: EVLCC Board of Directors** 

From: Michael Trujillo, Executive Director

Date: July 31, 2025

Re: Submission of Final Directors' Report

Dear Board Members.

As I submit my final Report for your July 31 meeting, I do so with deep gratitude, reflection, and optimism. This report offers insight into operations, infrastructure priorities, financial oversight, and community programming during my final days of service. It marks both a moment of closure and a launchpad for continued progress.

During the reporting period of July 1 through 29, and through subsequent review and alignment, this document highlights key transitions that support EVLCC's long-term resilience. From ADA upgrades and fire safety improvements to ventilation planning, outdoor revitalization, and youth engagement, we have made tangible strides in service to our mission. The financial summary provides clarity on current holdings, notes minor variances for transparency, and underscores our shared commitment to thoughtful stewardship.

This report stands not only as a fulfillment of monthly documentation but also as a leadership handoff. It reflects the organization's readiness to build on established momentum and pursue growth shaped by equity, collaboration, and community needs.

Thank you for the privilege of serving. I remain proud of all we've accomplished together and look forward to seeing EVLCC thrive in its next chapter.

With appreciation,

Michael Trujillo

Outgoing Executive Director

Embudo Valley Library and Community Center

# **Executive Director's Report**

Submitted by: Mike Trujillo

Reporting Date: July 1-July 29, 2025 For Board Meeting: July 31, 2025

# **♦ Infrastructure Priorities**

# Safety & Compliance

#### **Fire Code**

- Central monitoring system successfully installed in the library.
- Remaining buildings require phased assessment and installation under incoming leadership.
- The exterior fire hydrant requires protective barriers to prevent accidental damage and ensure continued emergency access.

# **ADA Compliance**

Considerable progress has been made on ADA upgrades regarding the doors, but broader property-wide compliance remains essential.

# • Completed & Scheduled Upgrades:

- Automatic entry doors scheduled for installation in late August.
- Fidel's Electric committed to installing two electrical outlets within two weeks, workload permitting.

# Outstanding Property-Wide Needs:

- Accessible Routes: ADA-compliant pathways throughout the grounds
- Parking & Drop-Off Zones: ADA surface treatments and access aisles
- Signage & Wayfinding: Braille, tactile signage, high-contrast visual cues

- Lighting & Controls: ADA reach ranges, single-hand operability
- Program Access: Accessible seating and egress routes for all public programs.
- Recommendation: Conduct full ADA site audit and pursue "readily achievable" upgrades through GO Bond or CDBG funding to align with the 2010 ADA Standards.

#### **Ventilation & Climate Control**

The library, about 3,000 sq ft with 14-foot ceilings, holds 42,000 cubic feet of air. To maintain safe air quality, **4.0 ACH (air changes per hour)** is recommended.

- Required System Capacity: 2,800 CFM (cubic feet per minute)

  (Formula: 3,000 sq ft × 14 ft × 4 ACH ÷ 60 min)
- Strategic Impact:
  - o Promote health and comfort during programming.
  - Enhance seasonal usability and energy efficiency.
- As part of the ongoing assessment of the ventilation and climate control, following up with Fidel's Electric regarding a pending quote for a ventilation system meeting exceeding 2,800 CFM capacity could help support improved indoor air quality and enhance year-round comfort for library patrons and staff. This specification reflects recommended air change levels based on the building's volume and usage. Potential funding sources may include the GO Bond or CDBG, depending on eligibility and alignment with infrastructure priorities.
- **GO Bond balance:** \$9,269.77

• Window blinds are needed to improve facility, comfort, and usability; ongoing discussions with Chuck Wright and the incoming Director have addressed potential solutions and installation options.

# Facility Projects

Permanent stage for cultural events, amplifying BIPOC voices, local artists, and intergenerational storytelling

- Public Park transformation with inclusive pathways and shaded gathering areas for seasonal programming and wellness activities
- Roofing and leach field upgrades to ensure long-term viability of library,
   community center La Segunda and Coop Market operations
- La Segunda renovation to expand thrift store capacity, support youth entrepreneurship, and sustain library funding through earned income
- Ongoing maintenance of 3,000 sq ft library, 2,500 sq ft Co-op, and 2,000 sq ft La Segunda, preserving essential services for Dixon and surrounding rural communities
- Energy-efficient retrofits, including passive solar heating, water conservation systems, and insulation upgrades across all buildings
- Culturally responsive space design, integrating bilingual signage, land acknowledgment displays, and flexible indoor/outdoor zones for community-led programming

# Technology & Utilities

- 24/7 Wi-Fi and public computing access, addressing ongoing inadequacies in current Library connectivity
- Telehealth and virtual education infrastructure to bridge healthcare and learning gaps for rural and underserved residents

- Accessibility upgrades for BIPOC elders and neurodivergent community members, including adaptive devices and multilingual tech support
- Solar-powered backup systems to ensure continuity of virtual services during outages or emergencies
- Dedicated telehealth spaces for private use, especially important for Indigenous and rural residents navigating confidential care in shared households
- Digital literacy workshops and mentorship programs, designed to empower community members historically excluded from tech access

# X Agricultural & Outdoor Spaces

- Infrastructure for farmers market and seasonal events
- Seed bank upgrade and acequia support for traditional agriculture
- Support for BIPOC-led agricultural initiatives, ensuring inclusive access to market space, technical assistance, and culturally relevant programming
- Preservation and revitalization of Indigenous land stewardship practices, such as acequia systems, intergenerational seed saving, and ceremonial crop cycles
- Access pathways for underrepresented producers, including training, microgrants, and collaboration opportunities for Black and Indigenous growers

# Recommended Operational Upgrades

- Insulation, windows, and HVAC efficiency improvements to reduce energy costs and ensure year-round comfort across all facilities
- Storage and accessibility enhancements for programming materials, including modular shelving, secure cabinets, and mobile carts for outreach events
- Integrated inventory systems to streamline supply tracking for library programs, thrift store operations, and cooperative goods
- Shared-use equipment upgrades, such as commercial-grade printers, AV systems, and refrigeration units to support cross-site programming and seasonal events
- Lighting retrofits and passive solar enhancements, improving visibility,
   safety, and energy efficiency in public and staff areas
- Flexible workspace configurations, enabling multipurpose use of La Segunda and the Community Center for youth programs, pop-up clinics, and community meetings
- Resilient infrastructure planning, including surge protection, water leak detection, and backup power options to safeguard operations during outages

# m Strategic Funding Opportunity: CDBG Alignment in Partnership with Rio Arriba County

# **Why Dixon Qualifies**

Dixon meets multiple CDBG eligibility criteria:

• **Poverty Rate**: 40.9% overall; 54% of children; 46%+ of disabled female residents

- Hispanic Population: 73.5%
- Median Income: \$43,148 (vs. NM average of \$62,125)
- Rural Designation: Census-defined area with 134.5 people/sq mi
- Infrastructure Gaps: ADA, fire safety, wastewater deficiencies

#### **Strategic Positioning**

- Align EVLCC priorities with Rio Arriba County's ICIP (Infrastructure Capital Improvement Plan)
- Present Library as shovel-ready asset for regional investment

#### **Potential Funded Projects**

- ADA routes and infrastructure
- HVAC installation
- Leach field upgrades.
- Fire system expansion.
- Roofing and preservation

#### FY 2026 CDBG Timeline

- Fall 2025: Contact County Grants Office; ICIP inclusion.
- Winter-Spring 2026: Data gathering, draft scope and budget.
- **Spring–Summer 2026**: Community engagement, DFA workshop, final application.

# Financial Overview

# Bank Balance (as of July 27): \$74,564.70

→ Includes restricted program allocations.

# n \$ Designated & Restricted Funds (\$46,904.45)

Dixon Co-op: \$20,000

Fiesta de Santa Rosa: \$7,919.32

KLDK Community Radio: \$9,257.28

• Dixon 300th: \$4,696.78

Neighborhood Watch: \$5,031.07

### **Board-Controlled & Investment Holdings**

Reserve Fund: \$26,072.62

\$ Endowment Fund: \$37,881.64

# \$ Unrestricted Operating Funds

 \$27,660.25 is currently available to support EVLCC's daily operations, including staffing, utilities, and core services, until additional funding is expected in mid-August.

(Total balance minus restricted and board-controlled funds)

# ill July Financial Activity-Based on the Profit and Loss Statement

- Net Operating Revenue totaled \$18,114.99, surpassing the forecasted budget of \$14,860.44 by \$3,254.55 (a 21.9% increase over forecast) ←
- The surplus was primarily driven by a **restricted \$20,000 grant**, not usable for general operating purposes.
- Total expenditure for July was \$18,241.54, representing 7.02% of the annual operating budget.
- Insurance Review: Current premiums remain disproportionately high relative to operating capacity. As part of ongoing fiscal stewardship, the

incoming director is encouraged to evaluate alternative providers to identify more cost-effective coverage options that maintain adequate protection.

• Overall, while restricted grant income drove strong financial performance, the availability of unrestricted operating funds remains modest, and warrants continued monitoring.

• **Total Expenditures:** \$18,241.54

• Total Budgeted Expenses: \$259,684.00

# **Footnote**

As part of the July reconciliation review, I noted a minor variance of -\$31.00 (less than 0.5 percent) between the QuickBooks actuals and the FY26 Excel budget. After checking through the entries, the difference appears to stem from rounding and some minor category level shifts. Everything has been verified, and no adjustments are needed this variance has been noted for transparency.

Upon analysis, the variance appears to result from:

- Rounding differences due to extended decimals in imported data.
- Categorization adjustments across similar budget lines (e.g., postage, software subscriptions).

# **3 5 18,114.99**

This figure reflects the Profit and Loss total revenue of **\$36,356.53** minus total expenditures of **\$18,241.54**. It is a healthy margin for the month, especially considering the strong performance in grant funding and donor-directed income.

#### **Footnote**

▶ Note: This figure includes \$20,000 in Fiscal Sponsor Income allocated specifically for the Dixon Cooperative Market. Excluding this restricted funding, the library's operating activities for July 1–27, 2025 would reflect a net deficit of approximately \$1,885.01.

# n Program Highlights

# 🖜 Caterpillar Club

A vibrant bilingual early literacy series hosted in the Community Center, fostering joyful family engagement through storytelling, songs, and movement. The indoor setting offers a welcoming and accessible space for children and caregivers to connect through language and play.

# ♣ Arts & Wellness Initiative

Weekly gentle yoga and guided life drawing sessions, where participants sketch from live models or natural objects in a supportive environment. The program promotes creative exploration and mindfulness, with high attendance reflecting strong community interest.

# Summer Reading Adventures

Embudo Valley Library's Summer Reading Adventures offer bilingual story times in English and Spanish, hands-on arts and crafts, STEAM workshops including archaeology and 3D printing, guest visits from educators and wildlife experts, Youth Opera Nights, and outdoor activities. Healthy snacks and lunches are provided through local partnerships to support full-day engagement.

### Transition Reflections

As I conclude my time as Executive Director, EVLCC enters FY 2025–26 with:

- Transparent financial systems, including reconciled budgets, clear reporting structures, and stronger grant alignment
- Aligned infrastructure and equity goals, with documented priorities that reflect community needs and long-term resilience
- Strong public programming momentum, supported by active engagement and responsive planning

Through sustained collaboration and thoughtful problem-solving, we have established a resilient foundation. The incoming Director will have an opportunity to move EVLCC forward by building a foundation shaped by transparency, strengthened community relationships, and clear organizational priorities. With financial operations stabilized, infrastructure needs documented, and programming momentum underway, the next phase of leadership can deepen impact and reinforce EVLCC's role as a vital resource in the Embudo Valley.

#### July, 2025 Librarian Board Report

#### Jennifer Goyette / Nicole DeMaret / Brynn Crockett

#### General

This report is a brief overview of activities over the last month and it includes statistical data for the fiscal year ending 2025. Of note, this month we welcome Brynn Crockett as our new part time librarian. We also completed our 2025 Summer Reading Program.

Of special note - Minna helped us catalog a library of medical devices that are being provided for loan to patrons by Barbara Schwathe. This idea was something Barbara had been working on with Annete Maestas and it is a wonderful addition to our service.

#### **Meetings**

I had several grants and program meetings, I met with Lori Kindler and Kiva to discuss grant writing assistance, met briefly with Minna and Kris regarding ALA Grant management. I met with Eva Behrens with EVTA to confirm details of our Afterschool program for this next academic year.

I also met with the volunteers of La Segunda to discuss briefly how we will each participate in the Dixon Studio Tour this year. We will provide community center space as we have in past years for the Tour's group show, and in trade we will have a spot on the map to host our annual book sale.

Finally, I am attending monthly STEAM coalition meetings hosted by LANL - which has been a really positive experience.

#### **Facility Notes**

Heat maintenance - We have selected material / UV blocking screens and will move ahead soon with purchase and installation (I am discussing GO Bond approval with Patricia Moore). Mike has included electrical work within the door installation plan to power a fan above the entryway which should help improve cooling in the evenings.

Chuck is assisting review of security cameras and once we have confirmed we can request GO Bond funds for this item.

There is still a problematic sulphur smell in the Community Center which has gotten worse since the daily water use of Afterschool has stopped. Zene has investigated the problem and is sourcing a part for the hot water heater.

Finally, we have placed a sign at the spigot and asked for community members to limit use for potable / household needs only. I dialogues with past board and past Director's and determined that agricultural use was outside of our intention in access to our well. We are looking at adding

a meter to better determine how much of this resource is used by our property needs vs needs outside of the EVLCC.

#### **Programming**

- Afterschool We will collect applications for Afterschool Coordinator until August 11th
  and then interview to fill this position beginning the start of September. We have an
  estimated start date of September 15th for programming and have confirmed with the
  EVTA our program focus for the year and that we will provide 30 weeks of programming.
- Caterpillar Club (Nicole) Caterpillar Club saw a clear upward trend in attendance since its inception in mid-April, with total attendance doubling between the months of May and June. At this stage of program development, I am fine-tuning the schedule with a mix of unique activities with repeat programming which keeps children interested while also helping them build vocabulary, and develop confidence in their skills. In addition, I reached out to both "Tips by Text" (a text-message program designed to help parents and caregivers get their child ready for kindergarten) and "Imagination Library" (free monthly books for children under 5 years old) to get refreshed program information and began introducing these literacy resources to Caterpillar Club parents during our gatherings. Lastly the children are having a great time and parents have expressed gladness about how the program is progressing, with some inviting out-of-town friends to join in. As program coordinator, further skills acquisition as an early childhood educator is warranted, but the program is progressing nicely!
- Fiscal Sponsors We have reported to Fiestas on donations received for their own outreach and have invited them to the office to co-write thank you letters. We have also determined we can participate this year in the Fiestas by offering a photobooth. This is due to the generosity of NM Children's Foundation who have allowed us to extend the Summer Reading Program for this one weekend in August. We will reach out to families who have attended all of our youth programming over the last year, and to the community at large to come and enjoy Fiestas and have a commemorative item to take home and keep. We will alert all participants that we plan to add these photos to our collections archive as a visual / archival snapshot of our community during its 300th year.
- Saturday STEAM We are in dialogue with Steve Cox to develop what our STEAM
  program will look like this year. We are actively working to better house our equipment
  and increase availability for patron use and active programming. I will report more in
  coming months. I expect we will relaunch activities by late September.
- Seed Library No news here. We might begin to look for a volunteer who could coordinate the social aspects of the Seed Library. Such as maintaining the associated email address, and hosting seed gatherings.

- Speaker Series We are currently coordinating the scheduling of more speakers in August and September.
- Summer Reading Program We had a great year and went out on a real positive note
  with Elena Osuna hosting a family based tutorial on Flamenco. We hope to work more
  with her in the future as all attendees had a great time. For statistics please view Table
  one.

I want to especially thank NM River Adventures for gifting a grand prize of a river trip for a family of four. We had a drawing after our last program of the summer and will alert the three prize winners as well as invite all participants to come and visit us for a reading incentive.

We received funding from NM Children's Foundation as Summer Reading support which includes a small amount for materials for YA and Children's areas. This is wonderful as it will allow us to be ready for this school year with fresh material, and amply resupply our depleted reading prizes. As mentioned above they are also allowing us to extend our program for an event during Fiestas.

Finally, we also hosted Radio Tomada presented by Axle Contemporary. Recordings from this event are available to listen to in the collections portion of our website.

• Annual Book Sale - Donations are coming in though I still have not officially announced we are accepting! We are at a pretty manageable level currently and I do not want to pass our tipping point without designated volunteers. I do think we will have a smaller than historical - but still nice - annual book sale.

#### **Collection Management**

We are seeing many check outs of Large Print books from NMSL, resupply is coming in August. We are continuing to actively outreach for resources that address needs of people with sight limitations, dyslexia, or cognitive impairment.

We continue to chip away at inventory and I hope to report that we have finished by the end of September.

#### **Community Center**

Regular weekly programming run by community members is still occurring and includes things such as yoga, upcoming meditation, tutoring, meetings, and more.

#### Communications

Jeff has added the audio files from our Radio Tomada event to our online collections. We have yet to switch the main page but we will work on this in the fall.

Other communications - As always we continue to update the webpage and are very active on instagram and facebook, reposting to the Grapevine and the Town Crier. Paper fliers are used at all community hubs. Email outreach occurs to community partners, and direct email invitations are offered to education program participants from this year. We sent one Mailchimp to share Mike's news of retirement and our ED transition.

#### **Circulation Statistics**

Please review Table Two above for complete patron usage statistics for FYE25. For those interested in reviewing trends I am copying the entire annual circulation (Table Three) at the very end of the report. To synthesize - we are seeing a continued upward trend in overall checkouts. I attribute this to our efforts to provide new material quarterly and our increased effort in displays, programming, and outreach. Our lowest usage month was July of 2024, and our highest usage month was June of 2025 - notable is the increase in YA checkouts. Our patrons checked out 8828 items in FYE25.

In eMedia there was a noticeable decline in overall checkouts - though there was an interesting increase in eVideo. Adult eBook and eAudio remain the strongest use points of digital media.

**Volunteers:** This is just a brief note to indicate that in the last fiscal year we had 49 volunteers who donated 3,563 hours of labor to our library and community center. I suspect the number is higher as our volunteers are generous and under-report their time! Thank you so much to all of you for your support.

#### **Fundraising:**

Annual Report! This has taken the majority of my time this month but I have also confirmed the reporting process with NM Foundation and will complete that report shortly as it is fully expended. I have been in touch with Santa Fe Community Foundation and completed filing for various donor directed giving amounts received or incoming.

A report Email to board before board meeting.

^^^^^^

Hello Board Members,

1. I did reach out to Nusenda Credit Union to let them know that I was the program project Director for the grant. They told me that the end date for them is Oct 15 of 2026! Also, they told me that the funds for the photographic part (\$2,400) are unrestricted and also all the funds for the grant in general. Yes, they just sent me their logo for use on all materials. I think they said 10 days for alerting them about how their logo is going to be used. They were very nice and we had a very productive and positive conversation. I have reached out to them by email and by phone and we are in good communication. I will send those emails to you that went between I and Nusenda soon.

I request that the end date be extended for this project to January 17, 2026. Any type of extension would help to make the project go smoother with grace, and ease.

- 2. I have scheduled the Coloniales dancers to come and present on Saturday at August 16 with a reserve for them from 1pm to 5pm. I have reserved both the library and the community room. They cannot come at any other day or time except this time. It is fine to remove the reserve for Sunday August 15 and August 15 Friday night. I will not be scheduling anything else on those dates. Please keep Sunday reserved. I know there are no folding chairs available on that day, but there are other hardback chairs that will suffice for the event
- 3. They will get dressed and ready from 1pm to 1:45pm/start their presentation at 2pm to 4pm which will include a lecture on the history of the dances/do some of the dances and teach some of the dances to the audience from 2pm to 4pm. A short reception for the dancers is planned from 4pm to 4:45 with clean up ending at 5pm.
  - I have their promotional materials and will get that over to Jennifer tomorrow.
- 4. Am setting the calendar as swiftly as possible with other confirmed speakers.

  I do have Juanita Lavadie's promotional information ready and will send her date in tomorrow and I have Jose Griego's confirmation of participation.
- 5. I did reach out to the Santa Rosa Fiesta Council this week about having a Hispanic Author's table of books at the fiesta and they said yes. They said that all entertainment slots are filled. It looks like they did not reserve the community

room. I am not sure of this, but perhaps some poetry readings of the Hispanic authors, that don't interfere with the entertainment on the grand stand could be done in the community room or in the library with the Council's permission. I want to be on the right page with everyone. The Santa Rosa Fiesta Council agreed to the Hispanic writer's book table and that the writers could sell their books.

**6.** I hope to have most of the scheduling done by the end of this weekend. I do hope you extend the date of this amazing project.

Sinceramente, Sylvia Ernestina Vergara

#### **ED Onboarding/Expectations by the EVLCC Board of Directors**

#### **ONBOARDING**

- 1. Prepare documentation for the ED: employment contract, tax forms, and benefits information.
- 2. Provide a review of the organization's history, values, norms, and social environment.
- 3. Send a welcome email (to staff). Should also include the ED's work schedule.
- 4. Set up and give access to organizational accounts. This should include signatory authorization to the organization's bank accounts.
- 5. Organization's policy acknowledgement (if not previously signed).
- 6. Develop a transition plan outline with outgoing ED.
- 7. At the first board of directors meeting, establish short and long term goals.
- 8. Identify professional development needs.
- 9. Develop a schedule for regular check-ins with the board president. This should include ongoing guidance and resources to assist the ED in performing their role.
- 10. In conjunction with the board of directors establish quarterly evaluation reviews and "check-ins".

#### **EXPECTATIONS**

#### **Organization Administration**

- 1. Oversee all organization's business operations.
- 2. Provide supervision of all employees and volunteers.
- 3. Maintain ongoing business relations with external contractors.
- 4. Maintain ongoing business relations with tenants, fiscal sponsorships, and the community at large.
- 5. Maintain established expense/income budgets in conjunction with the organization's external CPA firm. Ensure adherence to restricted budgets (expense/income).
- 6. Increase the organization's FY 2025-2026 unrestricted revenue budget by 5%. In conjunction with the Board of Directors, develop a plan to increase the ED's salary (weekly work hours) based on the increased unrestricted revenue realised.
- 7. Enforce the organization's approved policies and procedures. Make recommendations to the board of directors new/modified policies and procedures.
- 8. In conjunction with the outgoing ED, create a transition plan.

#### **Board of Directors Relations**

- 1. Coordinate with the board president agendas for regular and special board meetings.
- 2. Provide timely board reports to be reviewed at regular board meetings. Specifically, board reports should be provided at least five days before a board meeting.
- 3. Notify the board president of any potential liability issues.
- 4. Respond to emails within 24 hours????
