SUMMER 2026 CAMP APPLICATION

Easterseals Camp Fairlee is an overnight summer camp program filled with fun, tradition, friendship, and individual growth.

Easterseals mission is to provide exceptional services, education, outreach, and advocacy so that people with disabilities and seniors can live, learn, work and play in our communities. We help campers with disabilities experience safe, healthy, and success-oriented recreational opportunities. The philosophy at Camp Fairlee is to provide a nurturing environment with a choice of age-appropriate activities that best fit the interests and abilities of our campers. Camp Fairlee staff help support campers to reach their full potential and foster their independence and personal growth.

The recreation program includes accessible & adaptive activities such as: arts & crafts, music, games, swimming, nature trails, canoeing, archery, challenge course with zipline, horseback riding, fishing, gardening, pottery, photography, hayrides, campfires and so much more!

Camp Fairlee is located on a beautiful 250-acre rural site on Maryland's Eastern Shore along the Fairlee Creek. The camp ground has an activity center with a full-size gymnasium, art studio, an outdoor pavilion, a health center, eight climate-controlled cabins, a dining hall, a new pool and aquatic area, an outdoor amphitheater, and flower & butterfly gardens.

The camp staff is comprised of professionals and college students recruited from around the world. Each staff member is carefully selected based on skills and experience. An extensive pre-camp training encourages the enthusiasm, creativity, and sense of commitment that is our tradition.

Food Services

Camp Fairlee is committed to delivering quality food service and has a successful partnership with a professional food service company. Mindful of the cultural and dietary preferences of a diverse camp community, our food service team creates menus exclusively for the summer camp program. They review the menus and provide their culinary and dietary expertise. Camp Fairlee provides a well-balanced menu that supports food allergy concerns, diabetic, gluten-free, casein-free, dairy-free, and vegetarian requests. Camp Fairlee is also nut-aware. Campers, parents, and caregivers have the opportunity to discuss dietary requests with the Executive Chef before attending camp.

Together, Camp Fairlee and the food service company promise a team of experts trained in dietary requirements providing safe, healthy offerings that stay current in a food-aware culture.

Health Services

At least one registered nurse is available on-site at all times. A physician is on call for consultation when appropriate. Health services are limited to supports that can safely and effectively be delivered at camp, such as medication and breathing treatments. A current health history must be completed by the caregiver. Camp Fairlee's physical exam form must be completed by a Physician/ Nurse Practitioner. All prescription medications must be in their original bottle with the original prescription label on it or blister packs prepared by a pharmacy. Please do not bring over-the-counter medications. All vitamins and supplements should be in original bottles. All medications are kept in the health center and managed by the on-site nurse.

At check-in, campers should be free of fever and any symptoms of an untreated or unstable illness or condition to help protect their own health and the well-being of the camp community. For everyone's safety, campers and staff who show symptoms of COVID-19 will be tested as part of our routine health procedures. Campers who test positive will be sent home to recover.

WE ARE ABLE TO SERVE CAMPERS WHO ...

- · Follow the direction of the camp staff
- · Participate in camp activities on a regular basis
- · Sleep through the night in an open bunk room with other campers, without being disruptive to others

SUMMER RESIDENTIAL PROGRAM

· Communicate their needs through words, signs or pictures

UNFORTUNATELY, WE ARE NOT ABLE TO SERVE CAMPERS WHO ...

- · Require health services which cannot effectively be delivered in a camp setting
- Have medical conditions associated with a high risk for complication, or require a high acuity of care
- · Require assistance to be turned in bed throughout the night
- · Have a recent history of self-injuries or aggression toward others

APPLICATION PROCESS

There are 2 ways to apply:

Online: visit www.campfairlee.com, look for the online application

link under "Summer Programs". Deposit paid on-line.

By Mail: Paper application with mail-in deposit

- Caregiver or guardian completes the Summer Camp application, including the health history, and submits the \$100 application fee.
- The completed application is reviewed by camp leadership and an interview for all new campers will be scheduled.
- A physical exam form will be mailed. This form is be completed by a licensed medical professional.

 All campers are required to have a physical exam form on file; this form is valid for 24 months from the date of completion. (Acceptance for any camp session is contingent upon receiving the physical exam form).
- If accepted, you will receive a confirmation packet. The packet will include the camper's check-in time for opening day, a horseback riding application, packing list, theme flyer outlining the session's activities, and more.

*This allows staff to familiarize themselves with the camper, assess their needs, and be sure they have applied for the appropriate camper-to-counselor ratio. We make every effort to accommodate all applicants. However, Camp Fairlee reserves the right to accept or deny any application prior to attendance. Camp interviews may need to be in person.

**Space is limited

To ensure your application is processed promptly, please submit the application fee or confirm a funding source (i.e. clubs, community organizations, and/or churches) has agreed to pay the entire cost. In this case, a "Letter of Intent to Fund" must be received and on file. A copy of this form is enclosed and must be submitted to the agency or organization that will provide the funding and then faxed, emailed, or mailed to the camp. An acceptance packet will be sent when the application process is complete, including the "Letter of Intent".

Full payment is due by June 1st. If an agency is paying, then a completed "Letter of Intent to Fund" must be on file.

All applications are reviewed for acceptance on a first come first served basis. Once sessions are filled, applicants will be placed on a waiting list in the order that they are received.

2026 Summer Camp

What RATIO applies to the camper?

At Camp Fairlee, campers are paired with a counselor in three different ratios (3:1, 2:1, 1:1). Many factors are taken into consideration when ratios are being determined. Some criteria is listed below, but ultimately, the camp director will assess the camper and make the final decision.

3:1, 2:1 or 1:1?

The ratio will ultimately be determined by the level of assistance needed with:

- Verbal prompts (including reminders or gestures during their daily camp schedule)
- · Mealtime and activities
- · Walking and/or wheelchair use
- Personal care
- Medical care
- Sleep routines
- Behavior

Please Note:

- Not all sessions are available for 1:1 ratio support
- · Please rank the sessions in order of preference
- If the session(s) that you applied for are full, your name will be placed on a waiting list, and you will be informed by email. If openings do not occur, than any additional session fees which have been paid will be refunded. This does not include the \$100 application deposit, which is non-refundable.

Program Information

Horseback Riding: The program is held at Worthmore Farms, a KART riding center accredited by the Professional Association of Therapeutic Horsemanship (PATH). Instruction is provided under the direction of a PATH certified therapeutic riding instructor. All riders use a leader and side walkers. PATH imposed limits: Rider must weigh less than 200 pounds and must have head and trunk control. Space is limited each session and riders are selected on a first come, first served basis.

Swimming: Swimming is a lifeguard supervised activity. All lifeguards are American Red Cross certified on a yearly basis that covers, CPR, First Aid & AED, and Lifeguard certification. Campers who are unable to swim, must wear life jackets and all campers must pass a swim test to be able to swim in the deep end.

Challenge Course: A Challenge Course program is accredited through American Camp Association and Association of Challenge Course Technology. Inspections are conducted annually on all equipment and the climbing tower. Staff participates in annual training. Campers are required to have upper body and head control to participate. Our challenge course is based on freedom of choice and is a program for all abilities.

Canoeing/Kayaking: Canoeing is a certified lifeguard activity. All lifeguards are CPR, First Aid certified, as well as trained canoeing instructors. Campers must have upper body and head control to participate.

Transportation: Camp Fairlee transports all campers by bus to waterfront and horseback riding actives. All buses are inspected on a routine basis.

Hiking: The trails at Camp Fairlee are flat and not strenuous: It is a 1-mile hike, and appropriate shoes are required. All hiking activities are supervised.

Archery: Camp archery program features an Archery Stand Assist, Wheelchair Assist, and left and right bows for youth and adults. Available with a trained staff member.

Hayrides and Campfires are weekly program activities. All participants have the option of participating.

ACTIVITY RESTRICTIONS: A wide variety of programs are offered at Camp Fairlee, including those listed below. Please indicate which activities the camper should or should not engage in. Activity OK CANNOT Description to Participate Comments
