

Easterseals Camp Fairlee

SUGGESTED CLOTHING AND EQUIPMENT CHECKLIST

Camper Name: _____ Session Date: _____

To ensure that the camper's belongings are easily identifiable during repacking, **all items must be clearly labeled with their name.** Using name tape or a permanent ink marker is the best option. Campsite has a "print label" feature that is also very helpful. Additionally, we urge you to label important items such as flashlights, sleeping bags, and pillows. This simple yet vital step will significantly reduce the chances of mix-ups and enhance the security of your camper's possessions.

Please Note:

Easterseals Camp Fairlee will not be held responsible for items left behind. You will have the opportunity to arrange for pickup, however; any unclaimed items will be donated to charity at the end of summer. Taking the time to label your camper's belongings not only protects their possessions but also helps us maintain a safe and organized environment for all campers.

We will no longer mail items that are left behind.

Laundry is limited to emergency cases only. Please pack enough clothing for the camper's entire stay at camp. Campers who wear depends/diapers/pullups must have waterproof coverups or pool diapers/depends on to get in the pool.

All campers must supply their own wheelchairs, diapers, swim diapers, catheters, colostomy bags, blister packs/medication, special eating utensils, sleeping bags, sheets, blanket, and pillow.

NO Drugs, Alcohol, Knives, Firearms, or any Weapons are allowed at Camp Fairlee.

Please do not bring valuable or **any sentimental value** items. (i.e., iPod, digital cameras, sports equipment, games, magnets, batteries, carabiners, any precious family heirlooms, live or stuffed animals) **Easterseals Camp Fairlee will not be responsible for any damaged or lost devices.** Wi-Fi may not be accessible so please download any apps, movies or other items camper may need. Cell phones are NOT allowed in cabins (see insert). Please do not bring food or beverages unless required for a special diet.

Please bring this checklist with you.
