

January 27, 2020

Dear Interim President Rev. Angela Zimman,

On behalf of the ReconcilingWorks: Lutherans for Full Participation Board of Directors, I am writing to inform you at our January meeting the Board voted to lift the suspension of United Lutheran Seminary's Reconciling in Christ status.

Reviewing your letter which reports ten new developments in your reconciling and accepting journey ReconcilingWorks is looking forward to partnering with you as you continue to set new milestones of welcome, inclusion, and celebration of LGBTQIA+ people. As United Lutheran Seminary continues to make steps forward, ReconcilingWorks would like to receive updates on your journey and is excited to be introduced to your Director of Diversity when that person is hired.

United Lutheran Seminary will be added back to our national database and website as a Reconciling in Christ partner. As you live into this holy work ReconcilingWorks and its Board of Directors will hold you in prayer. As a partner please reach out for support and resources.

Blessings on your journey.

Much joy,

Aubrey Thonvold
Executive Director
