

BLB702 // SILENT Multi-Purpose Inline Exhaust Fan for two rooms

BLB702 Inline Silent Exhaust Fan delivers powerful yet whisper-quiet ventilation with up to 750 m³/h airflow. Its high-efficiency centrifugal fan maximises extraction while keeping noise to a minimum, and the all-steel housing ensures long-term reliability in demanding environments. Designed to service two rooms from a single unit, it's ideal for bathrooms, ensuites, laundries or powder rooms that need shared extraction.
