

- Schweigen's unique externally mounted Isodrive® motor solution is to take the fan and motor out of the rangehood creating a whisper quiet ventilation solution
- Twin German made centrifugal motor with patented Australian venting system
- Extracts smoke, steam and airborne grease, fat and oil particles in one complete process
- Unique motor design resulting in minimal external obstruction
- 10 year peace-of-mind warranty
- Schweigen Steelflex™ ducting included
- 3 times more efficient when compared to a traditional internally motored rangehood
- Perfectly paired with Schweigen **Silent** ceiling cassettes and BBQ Alfresco Rangehoods
