

The UM-90MS and UM-90MBS silent undermount rangehoods install discreetly into overhead cabinetry while delivering powerful, efficient extraction. Driven by the German-made IsoDrive® motor, they operate silently—keeping your kitchen air cleaner and fresher for longer.

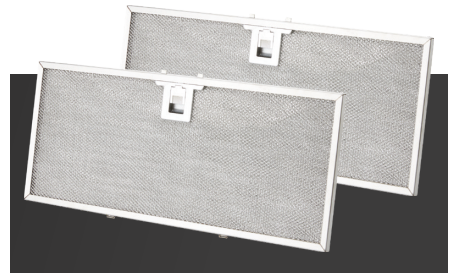

They feature Schweigen SteelFlex™ high-performance safety ducting, lifetime warranty dishwasher-safe baffles, energy-efficient LED strip lighting, and come in stainless steel or sleek black finishes to complement any modern kitchen aesthetic.

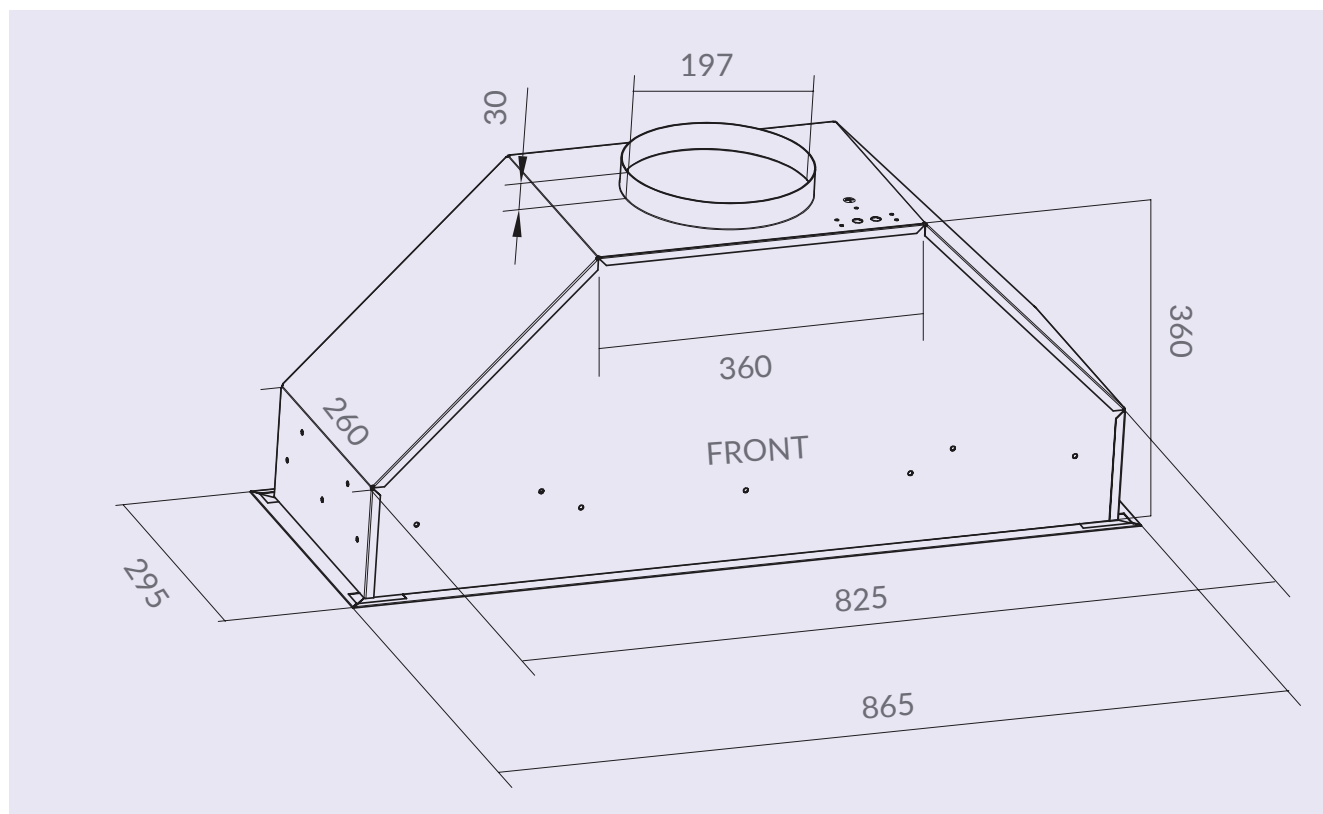

The fire and pest proof SteelFlex™ safety duct included

Silent operation using the German made IsoDrive®, external motor

Your choice of optional Mesh Filters with a peace-of-mind lifetime warranty
