

Protect your kitchen from airborne grease, smoke, steam, noise and odours without compromising its design with a sleek silent undermount rangehood.

This elegant Glass Undermount features an easy to clean surface and enhanced air extraction with the power of Perimeter Aspiration. Powered by the German-made Isodrive® motor uniquely mounted outside of the home (or along ductwork in the bulkhead, attic or ceiling space), this rangehood operates unseen and unheard to help keep the air in your kitchen cleaner and fresher for longer. It comes with the

revolutionary Schweigen SteelFlex™ high-performance safety ducting and lifetime warranty-backed dishwasher-safe filters for peace of mind.

Available in a sleek opaque black or white glass finish, this rangehood will integrate seamlessly with any modern kitchen design.

The fire and pest proof Schweigen SteelFlex™ safety duct included

Silent operation using the German made Isodrive® external or inline motor

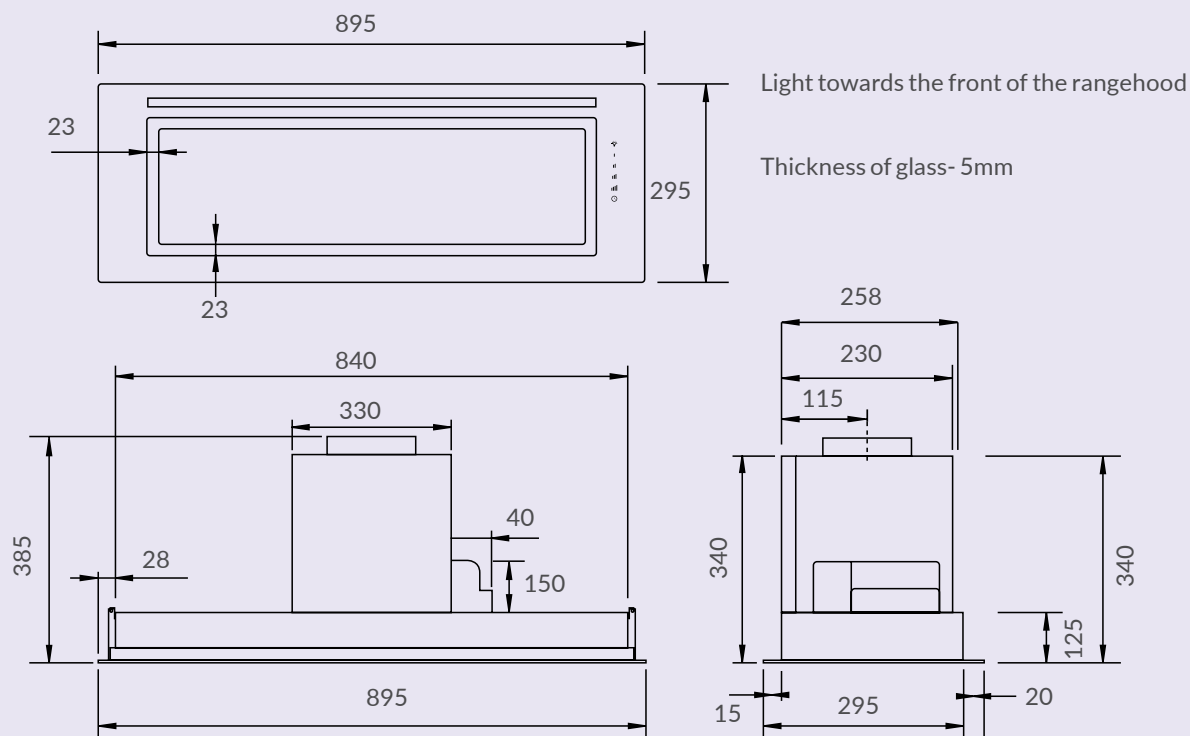

Peace-of-mind, Lifetime Warranty on fine mesh filters.
