Eliminate need to respond to applicant enquiries using Auto Responder
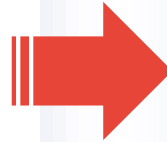

Enquiry

Sales and rentals prospect submits enquiry via any portal
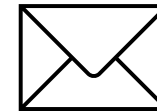

realestate.com.au

Domain

homely

rent

Analysis

Alex receives the enquiry and prepares the right response, using your preferred email template

Email Response

Alex responds as if it came from your inbox!

- **Instant replies 24/7** – never miss a lead
- **Increase in qualified applications** – applicants get an instant response explaining process to follow in your application system
- **More applicants, more choice!**

We are loving our auto response to tenant application enquiries. It has sent our tenant application #'s through the roof
