PROFESSIONAL SUMMARY

I'm a Product Designer with 3+ years of experience designing web and mobile products in remote, cross-functional environments. At UX Cabin, I grew from intern to lead designer on projects in healthcare, construction, sports tech, and more. I specialize in design systems, intuitive interfaces, and end-to-end collaboration.

WORK EXPERIENCE

Product Designer at UX Cabin

Feb 2023 – May 2025 (2 years & 3 months)

- ✓ Oversaw end-to-end execution of client design projects from start to finish with little oversight
- ✓ Built and maintained scalable design systems that improved team efficiency and consistency
- ✓ Partnered with devs and PMs to ship features with minimal rework
- ✓ Ran usability tests and refined flows based on insights

Junior Product Designer at UX Cabin

Feb 2022 – Feb 2023 (1 year)

- ✓ Collaborated closely with senior designers to shape end-to-end product experiences for mobile and web apps
- ✓ Mastered Figma to design user flows, hi-fidelity mockups, reusable components, and prototypes
- ✓ Actively participated in regular design critiques and incorporated stakeholder feedback iteratively

Product Design Intern at UX Cabin

Sep 2021 – Feb 2022 (5 months)

- ✓ Earned a spot in UX Cabin's competitive design internship after passing a rigorous selection process from over 700 applicants
- ✓ Gained exposure to real-world product work through hands-on experience with client projects under close mentorship
- ✓ Built foundational skills in interface design, design systems, and team tools
