Fusion Income H3+ | Sterling

Strategy Overview

In pursuit of attractive targeted returns, Fusion invests in a broad range of asset classes designed to maximise its ability to deliver returns whilst minimising the associated risk.

The Fusion Strategies are constructed around a managed portfolio of collective investment schemes, delivering a unique combination of diversification, flexibility and efficiency.

Fusion Income H3+ Strategy focuses on lower risk asset classes in order to achieve its return targets. Investment exposure is weighted to lower risk asset classes such as fixed interest, arbitrage strategies and commercial property; the strategy includes some exposure to equities and other higher risk investments.
