Fusion Alpha H5 | Sterling

Strategy Overview

In pursuit of attractive targeted returns, Fusion invests in a broad range of asset classes designed to maximise its ability to deliver returns whilst minimising the associated risk.

The Fusion Strategies are constructed around a managed portfolio of collective investment schemes, delivering a unique combination of diversification, flexibility and efficiency.

Fusion Alpha H5 Strategy is designed for investors who are prepared to accept a moderate level of risk to achieve higher potential returns. The strategy balances a strategic exposure to equities and other higher risk investments, with a lesser weighting to lower risk investment asset classes.
