1. Registration, Race Pack Collection & Bike Checks

Race packs will be available for collection on Saturday 10th July 2021, please refer to section 7 for timings and can be collected from the Event Marquee which is located in the event space at the Les Jardins car park, the nearest access point to Les Jardin De La Mer.

UPDATE! In order to comply with the Government of Jersey Safe Event Framework, we have implemented suggested timings of each category for you to collect your pack and have your bike checked. Our aim is to spread out the number of people in our marquee and event site at any one time. If you can't make the specified time, we kindly ask you visit the event area as close to your allocated time as possible.

Athletes are kindly reminded to keep at least a minimum of 1m distance at all times as per the Government of Jersey COVID-19 guidelines when collecting race packs, bike checks, briefings and on the day when not racing. Overseas competitors will be provided with a separate check in desk in the Event Marquee so that our team may check all test results and signage will clearly label this on the day.

If for any reason you are unable to collect your race pack on this day, please notify the event organisers in writing. You will be able to collect your race pack on the morning of the event at 06:30 from the Event Marquee, but please only do this as a very last resort.

a) Parking

Public parking is available for competitors in the public car park at Les Jardins (access via the roundabout outside the Radisson Blue waterfront hotel) on Saturday 10th July 2021 and during the event on Sunday 11 July 2021. N.B Please note parking on Saturday 10th July 2021 will incur normal parking charges.

b) BTF – Full Memberships

If you already hold a BTF full membership licence it is essential you bring this with you to registration on Saturday, along with a form of ID, in order to collect your race pack. We can accept your registration card or a copy of your licence on your phone/ printed.

c) BTF – Day Memberships

If you have pre-ordered your licence when registering for the Accuro Jersey Triathlon before 7th July 2021, you will receive your licence via email and must show this to our registration team when collecting your pack. If you do not show this to our registration team you will be required to purchase one before collecting your race pack. If you don't see this in your inbox, please also check your junk box. If you have not pre-ordered a BTF day licence, we will have a limited number of these available to purchase at registration.

d) Bike Checks

Please note - It is the competitor's own responsibility to ensure that their bike is road safe prior to the bike check at the Jersey Triathlon

If there are any doubts regarding the safety of bikes prior to the Jersey Triathlon then we strongly suggest that the bike is booked in with Big Maggy's or another bike provider to arrange a full service, rather than wait until the bike check, on the day prior to the race.

Athletes must bring bikes on Saturday 10 July as per your allocated slot in section 3, where Big Maggy's will be carrying out a quick bike safety check – please note that it will be busy, so allow plenty of

time. All competitors who have their bike checked will be issued a small sticker to be displayed on their bike once completed and approved. The sticker needs to be displayed on your bike in order to enter transition area on race day.

We will be adhering to the BTF Competition rules. As a minimum – bikes should have:

- Working brakes (front and rear);
- Fully inflated tyres;
- Tightly adjusted headsets and locked quick release pins;
- Handlebar stoppers secured in the end of the handlebars,
- No rattling, loose or faulty components.

Any bike that does not meet these minimum requirements and has not been checked or is deemed to be unsafe on the morning of the race will be turned away. There is no mechanic on hand to fix bikes prior to the race. We respectfully ask that all athletes check their bike in advance to avoid the awkward situation of an official deeming a bike unsafe on the morning of the race.

2. Race Pack Contents

Competitor race packs and timing equipment is kindly sponsored by the Ports Of Jersey.

Your race pack will consist of:

- Bib number x2 (For Bike section, your bib number must be displayed on your back, for the run section your bib number must be displayed on your front).
- Timing Chip & Instructions (NB. In your race pack there will be 3 timing chips per team. This is one timing chip per person in order to mitigate the risk of spreading COVID. Your times will be recorded from when you enter and exit Transition).
- Swimming Cap – NB: regrettably our swimming caps are latex, should you have any allergies could we suggest you wear your own allergy free swim cap with the Jersey Triathlon swim cap on-top. It is compulsory you wear the Jersey Triathlon swim cap on-top for safety/identification purposes.
- Jersey Triathlon tri, sticker sets labels (Standard, Standard Relay, Jersey Sprint and Super Sprint) for your bike and bike helmet, following the instructions on the sticker sheet. These must be worn!
- Jersey Triathlon double number tattoo (Standard, Standard Relay, Jersey Sprint and Super Sprint) – please ensure that both numbers are placed on the upper area of each arm. If you are wearing long sleeves, the numbers should be placed on the visible area of your lower leg. Relay team's – only the cyclist and runner should use number tattoo (one each) and they should be placed on the upper area of the left arm or left leg.
- An email copy of your BTF Day License, if you have pre-purchased this.

3. Race Pack Collection / Bike Check times

- **14:00 – 15:00:** Super Sprint pack collection and bike check only.

UPDATE! In order to comply with the Government of Jersey Safe Event Framework, we have implemented suggested timings of each category for you to collect your pack and have your bike checked. If you can't make the specified time, we kindly ask you visit the event area as close to your allocated time as possible.

UPDATE! We kindly ask all competitors wear a mask when entering the event marquee to collect your race pack. We encourage use of masks around the event site over the event weekend however you will not be formally required to wear a mask when outside and having your bike checks.

4. Race Briefings

UPDATE! All briefings for the individual/team entries will take place virtually on **Friday 9 July** via Zoom. The briefing will last approx. 20 minutes for each race category and will also give competitors the opportunity to ask questions, where time allows. Please note competitors will not have access to their microphone or camera and to ask any questions you must type this in the Q&A box and our race director will cover of the answer at the end, where time allows. If your question has not been answered, then our race director will around the event site on Saturday 10th July around 09:30am to answer any outstanding questions.

The Junior race briefings will be held opposite the Junior transition area on the day.

* Juniors will be required to have their bikes checked and collect their race packs on Saturday 10 July between 09:30 – 10:30. Please note there will be no junior race briefings on Friday 9 July or Saturday 10 July, instead these will be held before the race on Sunday 11 July.

6 (A) Transition Opening and Closing Times

	Open	Close	Race Start Times
Standard	06:35	07:35	Wave 1 - 08:00 Sub: 28:00 mins Wave 2 - 08:01 Over 28:00 mins
Jersey Sprint	06:35	07:35	08:05
Super Sprint	06:35	07:35	08:40

Athletes will be asked to keep at least 1m distance when in transition and will be asked to exit the transition area once bikes are racked. We kindly ask you follow marshals' instructions at all times to ensure we follow the Government of Jersey's guidelines and provide a safe and smooth event.

Important Notes:

1. Competitors in the Super Sprint, Jersey Sprint and Standard will not be allowed to collect their bikes until approximately 12:00, any earlier will be at the discretion of the Senior Official.
2. Helmets must meet the minimum standards of ANSI Z90, SNELL B90, EN1078 or equivalent. Check the labelling inside the helmet, or with a local bike dealer if unsure. Officials will check this.
3. All competitors must have their helmets securely fastened before removing their bike from their transition space, and helmets are to remain fastened until you have re-racked your bike. Officials will check this.
4. All competitors will have their bike inspected before entering Transition. If it is deemed unsafe you will be turned away. Please ensure your bike is road worthy beforehand to avoid disappointment.
5. Standard Distance will have a separate swim course and will need to complete one single loop anti-clockwise. The standard course will be marked out with yellow swim marker buoys.
6. Please note the Jersey Sprint and Super Sprint distances use the same course, which will be marked out with green swim marker buoys. Both distances will complete one single loop anti-clockwise, Jersey sprint will do the full course, and Super Sprint will do the shorter course.
7. Please be aware that during the event we will have an official photographer using a drone to capture imagery from above, should you have any concerns please get in touch with the organisers.

6 (B). Counting swimmers onto the beach:

Once competitors have racked their bikes and set up their triathlon kit, race officials will ask you to exit the transition area. You will be called back in to transition at the below times and then join the swim funnel and then arrive onto the beach.

8. Race Cut off Times

Due to the closure and/or management of public roads in Jersey for the event, the following cut off times will be enforced (they refer to the time that a competitor should be in transition):

	Race Start Time	Swim Cut off Time	Cycle Cut off Time	Run Cut off Time
Standard / Standard Team Relay	08:00	09:00	10:45	12:00
Jersey Sprint	08:05	09:00	10:45	12:00
Super Sprint	08:40	09:05	09:45	10:15

Important Notes:

1. Individuals who fail to make the Swim cut off on the Standard & Jersey Sprint course may be allowed to complete the Super Sprint Cycle and Run sections at the discretion of the Senior Official (or if feasible the safety boat will bring swimmers into shore and participants may continue the Standard race. This is left entirely at the discretion of the Senior Official on the day.
2. For Relay teams in the Standard race, if the swimmer fails to make the cut-off, the Senior Official will allow the team to continue from the cut off time (09:00), i.e. The Bike leg will start at 09:00. The same rule will apply for the Bike to Run. Where feasible the timing chip needs to be first passed to the next team member
3. The cut off times are the time that competitors are expected to be into the Transition area.
4. Please note that cyclists and runners who have not completed the course before the allocated cut off times may find no marshals at junctions and will have to safely make their own way back to Transition. The Senior Official will make all final decisions on the day.

9. Contingency Plan For Unsafe Swim

The safety of our athletes and volunteers is our primary concern. In the event of inclement weather, it is our goal to have the race if at all possible. The Race Director will monitor weather conditions closely ahead of the event and make any final decision regarding weather on the morning of the event. Please check our website- www.jersey-triathlon.com- and our Facebook Page "Accuro Jersey Triathlon" for weather updates in advance of the day. We will post any changing information there.

Important notes:

1. The event will NOT be cancelled or postponed due to rain alone.
2. Should extreme weather or low air/sea temperature occur and make the swim course unsafe, then the race format will alter to a traditional duathlon race format i.e. run, bike, run.
 - I. For the first run of the duathlon the Standard distance would complete two 2.5k laps on the amended course. Running the course in the reverse direction.
 - II. Jersey Sprint and Super Sprint competitors would complete one 2.5k lap on the amended course.
 - III. Competitors would be set off in small groups (number to be confirmed on the day) and the exact timings would be collected each time the competitor goes over the timing mats.

3. We regret that no refunds may be issued for incidents of a Force Majeure nature that affect the alteration or cancellation of the event.

10. Event Facilities

The Event Marquee and surrounding area will provide all the necessary facilities you require:

- **Toilets**
- **Changing Facilities**
- **Bag Drop Area**
- **Massage Therapists** - Unfortunately as part of our COVID-19 mitigation - control on crowding, we have decided to remove the massage from this year's event.
- **Jersey Water – Water Container** (Please bring your own bottles)
- **Food and Drink** – Unfortunately in line with the Government of Jersey Safe Event Framework we will be unable to offer any Food and Drink outlets. Therefore, all food and drink should be purchased at Le Fregate café, Castle Kiosk or Coopers Coffee.

11. Prize Giving

As part of the events COVID-19 mitigations we are removing the physical Prize Giving from the day, this is so athletes can leave the site after their race. The official placings will be available on the event website towards the end of the day and winners will be contacted by organisers on Monday 12th July to confirm their place.

Therefore all 1st place winners of each category (Adult, relay and Juniors) will be able to collect their trophies from Accuro offices which is located at 1 Esplanade, St Helier, Jersey, JE2 3QA. Trophies will be available for collection from Tuesday 13 July 2021 – Friday 16 July 2021 between the hours of 08:30 – 17:00. Winners will be kindly asked to have a photograph with their trophy in Accuro reception for marketing purposes.

All 2nd and 3rd place winners (Adult, relay and Juniors) will be able to collect their trophies/ certificates from 3D Events, 1 Waterloo Street, St Helier from Monday 12 July – Friday 16 July 2021 between 09:00 – 17:00.

12. Other FAQ's

1. Do I have to wear a wetsuit?

If the sea temperature falls below 14 degrees, it is compulsory that you wear a wetsuit. A final reading will be taken on Saturday 10 July and we will inform all competitors on the current temperature at the registration.

2. Where do I leave my bag?

There will be a designated bag drop area located inside the Event Marquee. Please note the organisers cannot accept any liability for lost or stolen goods. The Event Organisers will do their best to keep the area as secure as possible, please do not leave any valuables.

3. What parking facilities are available?

Parking is available Sunday 11 July for competitors at Les Jardins public car park via the roundabout outside the Radisson Blu Waterfront Hotel – see Transition Map.

4. When do I receive my race number and timing chip?

You will receive your race number and timing chip in your race pack when you collect this at registration. Please remember that your timing chip **must go on your ankle**.

5. I didn't buy a Day License when I registered, how do I get one?

You can buy a Day License for £5.00 when you collect your race pack in the Event Marquee. These will be available to purchase when collecting your race pack. Please bring cash.

6. Will drinking water be available during the race?

There will be a water table located on the run course and finish line. Athletes are to provide their own water and nutrition on the bike course and transition. It is the athlete's responsibility to keep themselves hydrated. *On the Run course please dispose of empty bottles in the bins provided within 100metres of the water station.*

7. How do I find out my finishing time and when?

The results will be posted on our website within 24 hours of the event.

8. What do I do if I get a punctured tyre and have to pull out?

You are allowed to take your own kit to repair a punctured tyre. If you have to pull out of the race, please go to the nearest marshal on the course that will alert the Event Organisers and Senior Official. There will be a sweeper van on site to assist with mechanical failures and injuries.

9. How do you ensure all Super Sprint competitors complete two full laps of the Bike course?

Whilst marshals are in place, please kindly note it is the athletes' responsibility to count their own laps.

10. How do you ensure all Standard Distance Runners complete the correct number of laps (four laps) before crossing the finish line?

Each runner will receive a wristband (from a marshal) on completion of each full lap.

Hence you must have **[3 wristbands]** on your wrist to enter the finish straight and cross the finish line.

You will not collect a wristband on your final (fourth) lap as you will continue straight on to the finish line.

11. How do you ensure all Jersey Sprint Distance Runners complete the correct number of laps (two laps) before crossing the finish line?

Each runner will receive a wristband (from a marshal) on completion of each full lap.

Hence you must have **[1 wristbands]** on your wrist to enter the finish straight and cross the finish line.

You will not collect a wristband on your final (second) lap as you will continue straight on to the finish line.

12. If I am taking part in a Relay team, how do we manage the timing chip?

Update for 2021: In your race pack there will be 3 timing chips per team. This is one timing chip per person in order to mitigate the risk of spreading COVID. Your times will be recorded from when you enter and exit Transition.

13. Are there shower facilities available?

Please note showers are unavailable this year due to ongoing COVID-19 concerns.

14. Am I allowed to draft on the bike?

Competitors are not permitted to draft off other competitors during the cycle section of the race. The draft zone for all distances is 10m from the end of the back wheel of bike in front. Remember to keep left at all times when you are not overtaking and that if you are overtaken it is your responsibility to drop out of the overtaking cyclists draft zone or you could receive a penalty. For detailed rules on drafting

please click on the following link: www.britishtriathlon.org/britain/documents/events/competition-rules/british-triathlon---drafting-rules-explained-2018.pdf

15. Why are there different coloured swim hats?

All competitors will be given a hat colour depending on their race category and start time. You will be counted into the correct race; it is essential that you wear your correct coloured swim cap.

- **Standard Wave 1** – Red swimming cap
- **Standard Wave 2** – Orange swimming cap
- **Jersey Sprint** – Green swimming cap.
- **Super Sprint** – Pink swimming cap.
- **Junior** – Yellow swimming cap.

13. COVID-19 Mitigations

- Any competitor who may be experiencing any symptoms on the day or have done in the last 14 days must not attend the race and to notify event organisers immediately. Click here to view the Coronavirus Symptoms:
<https://www.gov.je/Health/Coronavirus/PublicHealthGuidance/Pages/CoronavirusInformation.aspx>
- Please continue to review the [Government of Jersey COVID-19 Public Health guidelines](#) which should be adhered to at all times.
- All overseas competitors must review the Government of Jersey Safer Travel Guidance: <https://www.gov.je/Health/Coronavirus/Travel/Pages/CoronavirusTravelAdvice.aspx>
- If you have been off-island within the last two weeks you must be able to present a negative test or must not be displaying any COVID-19 symptoms.
- All overseas competitors will be required to provide organisers with a text or email from the Government of Jersey confirming your negative result. Failing to do so will result in you not being able to race.
- We kindly ask competitors and spectators maintain a 1m physical distancing when not racing.
- Athletes should drop their bags when checking in, minimal belongings to be near to the racing area.
- Please use hand sanitiser on arrival and regularly throughout the event.
- Minimize interactions with other competitors, please do not share food items as this could cause the virus spread.
- Given the proximity of the event site, we recommend that competitors wear a mask when not racing.
- All competitors' details will be required for track and tracing purposes.
- We encourage all participants and spectators download the Government of Jersey COVID-19 App for track and trace purposes.

14. Safeguarding / BTF Code of Conduct

British Triathlon Safeguarding Policy

Everyone who participates in Triathlon is entitled to participate in an enjoyable and safe environment.

British Triathlon considers the safety and wellbeing of children, young people and adults at risk as central to its values. As a governing body we accept our responsibility for providing guidance and support for the triathlon community to ensure that triathlon is enjoyable and safe. Everyone in triathlon has a responsibility for safeguarding the welfare of children, young people and adults at risk.

If you have concerns for the welfare or safety of a child, young person or adult at risk or someone raises a concern with you, report these immediately.

To report a concern contact;

British Triathlon Lead Safeguarding Officer

07384 214726

concern@britishtriathlon.org

It's important to remember that the welfare of a child, young person or adult at risk is paramount, it's not up to you to decide whether or not a child or young person has been abused, but to report concerns appropriately.

If you think a child or young person is in immediate danger or requires medical attention, you should call the emergency services on 999.

You can also ring the NSPCC helpline on 0800 800 5000 or by emailing help@nspcc.org.uk. Following reporting the matter to the emergency services or NSPCC you must inform British Triathlon.

If you have a non-safeguarding concern or complaint, please review the British Triathlon Complaints Policy to ensure this is addressed in the most effective manner.

Permitted Events commitment Statement

This permitted triathlon event acknowledges the duty of care to safeguard and promote the welfare of children, young people and vulnerable adults. This permitted triathlon event is also committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and British Triathlon requirements.

16 – 17 autonomy statement documented with event entry terms and conditions.

Safeguarding Terms and Conditions / Statement of Autonomy for 16-17 Year Olds

Providing a safe and enjoyable event for athletes, spectators, volunteers and event staff is key to the success of an event. The British Triathlon Permitting Process ensures safeguarding and welfare precautions are considered and that events are delivered in accordance with the British Triathlon Competition Rules.

Refusal

The event organiser reserves the right to refuse any participant entry to an event at the time of registration should the appropriate permissions not be in place by the parent/guardian.

Permissions

For all children under the age of 16 British Triathlon recommends a parent/guardian is always present at the event a child is participating in. Where this is not possible the child must present a signed permission form in order to take part. Without a permission form, the child will strictly be unable to participate in the event. Young People aged 16-17 years old are assumed to have autonomy over their decision making and do not require written parental permission to enter an event. However, by entering this event you confirmed that you have consulted with your parent/carer/guardian and they are aware of your participation and entry into this event.

15. Spectators

As per the Level 6 Government of Jersey reconnection plan, spectators are permitted at this event.

We kindly ask spectators adhere to;

- The minimum of 1m distance at all times.
- Spectators must also follow the COVID-19 considerations as outlined in section 13 of this information pack.
- We strongly advise spectators wear a mask within the event area.
- We ask all spectators check in by scanning our unique event TRAX QR code when at the event.

16. Official Charities

We are delighted to confirm that the official charities are the 2021 event is the Oscar Maclean Foundation; Dementia Jersey; Brightly.

Oscar Maclean Foundation

Oscar Maclean (09.03.04-26.10.13) was a Proper Hero. He lived a short but action packed life, during which he managed to write a spy novel, acquire endless party invitations, numerous sports and various other achievement awards, a great bunch of friends, love of sport and all things fun, as well as demonstrate endless bravery and dignity beyond his years in the face of great adversity.

Oscar has shown an incredible fighting spirit against his deadly enemy- a Grade III Anaplastic Astrocytoma, a malignant brain tumour that eventually stole his young life away from him. But it will never succeed in stealing his wonderful memory away from any of those who knew him. For today and with every single day to come, we will try to change this world into a slightly better place by supporting worthy community causes aimed to help young Cancer patients in Jersey and their families, in Oscar's name.

A 2015 project that we aim to deliver is the funding of a children's Community Liaison Officer, who will be based at the Hospital. The Liaison Officer will be co-ordinating vital support for children with cancer and other chronic illness and their families - practical, financial and emotional. At present, some of these functions are fulfilled by

different charities and departments, but the appointment of a single officer who will coordinate the entire support structure for a family will mean that parents will be able to focus on their child at the time when they need it most, instead of spending hours on the phone calling various charities, states departments or other service providers. Please help us by showing your support in memory of this gorgeous little boy.

Brightly

Brightly (formerly known as Brig-y-Don Children's Charity) is a small, independent Jersey charity who offers financial support to children and young people from birth to 25 years, who are being looked after in Government of Jersey care, leaving care, or foster care, as well as others who are suffering adversity and are in need.

Our support is intended to create positive experiences and opportunities for these children and young people with the aim of helping individuals move towards independence.

www.brightly.je

Dementia Jersey

Dementia Jersey (formally known as Jersey Alzheimer's Association) was formed in 2010 to support everyone in the Island affected by Dementia. Since 2012 the charity has experienced a dramatic 235% increase in demand for their services.

Jersey now has over 1600 people diagnosed with some form of dementia and there are many more that we are not aware of.

The charity seeks to raise awareness and provide support with the overall aim to make Jersey a dementia friendly island. The charity provides Dementia Friend's awareness sessions which seeks to give people a basic understanding and insight into dementia. The disease can affect all ages and therefore several companies have seen the benefit of learning a little more to better help their customers and their staff, who may have the pressures of caring for family members or be having difficulties themselves.

Thank you to all of our sponsors for their valuable support.

Our Title Sponsor – Accuro

Accuro's mission is to care for and protect families and their wealth for the long-term. We do so by attracting and developing exceptional people.

We operate a multi-jurisdictional Trust and Family Office business that works in partnership with international families holding cross-border assets. Our highly personalized services incorporate a flair for entrepreneurial decision-making with a clear understanding of our clients' needs.

As an owner-managed business, free of private equity, we pursue a longstanding conflict free strategy that is aligned with our clients' long-term objectives.

Established over 40 years ago, the business has grown to administer and oversee US\$10 billion of financial and non-financial assets.

In Jersey, we are regulated by the Jersey Financial Services Commission and we are a member of the Jersey Association of Trust Companies and Jersey Finance.

For more information please visit Accuro's website www.accurofiduciary.com.

Our Brand Partner - The Beach

Established in 2001, our business success at The Beach has been achieved through our sensitive understanding of our clients' environments and our full appreciation of the depth and breadth of brand within high-value service organisations.

Our clients benefit from our hands-on, integrated approach, the hard work and dedication of a team of intelligent, knowledgeable, creative thinkers, and our unreserved commitment to our clients' business needs; we are as fully committed to our clients' success as we are to our own.

Our core skill is in developing effective corporate brand strategies and applying a refined creative response. We have no account managers; our designers and strategists are your point of contact, the person you turn to when you have a need. It's about personal accountability and our clients see the day- to-day benefit of it.

We take a highly collaborative, holistic approach to branding; we work closely with our clients to explore and shape perceptions of brand both internally and externally, evaluate positioning opportunities, share knowledge, generate ideas, and create solutions that most effectively resonate with the target audiences. We apply our approach with considerable passion and contagious energy with the aim of igniting our clients' brands and their subsequent business success.
