What are the risks of investing?

Risk indicator for the GBP International Occupational Superannuation Fund¹

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the Fund's assets goes up and down. A higher risk generally means higher potential returns over time, but more ups and downs along the way.

⚠ To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at sorted.org.nz/tools/investor-kickstarter

Note that even the lowest category does not mean a risk-free investment, and there are other risks that are not captured by this rating.

This risk indicator is not a guarantee of a fund's future performance. The risk indicator is based on the returns data for a five year period to 30 September 2025.

While risk indicators are usually relatively stable, they do shift from time to time. The risk indicator will continue to be updated in future fund updates.

See the Product Disclosure Statement (**PDS**) for more information about the risks associated with investing in this Fund.

How has the Fund performed?

	Past year
Annual return (after deductions for charges and tax)	Not Applicable
Annual return (after deductions for charges but before tax)	Not Applicable
Market index annual return (reflects no deduction for charges and tax)	8.14%

The market index return is the strategic asset allocation-weighted aggregate performance of relevant market indices. Additional information about the market index is available on the offer register.

What fees are investors charged?

Investors in the i-Select PIE Superannuation Scheme GBP International Occupational Superannuation Fund are charged fund charges. In the year to 31 March 2025 these were:	
	% of net asset value
Total fund charges²	1.31%
Which are made up of —	
Total management and administration charges	1.31%
Including —	
Manager's basic fee	1.00%
Other management and administration charges	0.31%
Total performance-based fees	0.00%
Other charges	Dollar amount per investor
	GBP £0.00

Investors may be charged individual action fees for specific actions or decision (for example, entry and exit fees). See the Product Disclosure Statement and Other Material Information document on the i-Select PIE Superannuation Scheme's offer register at www.companies.govt.nz/disclose for more information about those fees.

Small differences in fees and charges can have a big impact on your investment over the long term.

Example of how this applies to an investor³

Jane had £10,000 in the Fund at the start of the year and did not make any further contributions. At the end of the year, Jane received a return after fund charges were deducted of £672 (that is 6.72% of her initial £10,000). Jane paid £0 in other charges. This gives Jane a total return after tax of £543 for the year.
