

# Parent Guardian Consent Form

ACHW requires that all students applying to study must:

- be at least 16 years of age on the date of the application to a degree or enrolment in subject(s); and,
- provide a completed Parent or Guardian Consent Form where the student's age is under 18 years at the date of application to a degree or enrolment in subject(s).

Your completed form must be attached to your application or enrolment so ACHW can see your parent or guardian's consent.

This form covers all degree applications and subject enrolments until you reach 18 years of age.

ACHW must store this information in your student record and attach it to any subsequent applications you make to study with ACHW.

## How to complete this form
